EXHIBIT A

WHEREAS, the VILLAGE and the AUTHORITY, pursuant to the Intergovernmental Cooperation Act, Chapter 127, Section 741 et seq. of the Illinois Revised Statutes, are permitted to enter into agreements to perform any governmental service, activity, or undertaking which either of them entering into this agreement is authorized by law to perform, and to exercise jointly any powers or power, privilege, or authority which either of the parties entering into this Contract is authorized by law to perform; and

WHEREAS, the VILLAGE and the AUTHORITY propose to construct various facilities within that area of the VILLAGE OF ORLAND PARK commonly described as the Orland Park Village Center; and

WHEREAS, the AUTHORITY proposes to construct an Exhibition Hall as Sub-Phase A of Phase I of its construction program within the said Orland Park Village Center; and

WHEREAS, the AUTHORITY has submitted a grant application to the Department of Commerce and Community Affairs under the Metropolitan Civic Center Support Act, Chapter 85, Section 1391 et seq., of the Illinois Revised Statutes and the Department, if the application is certified, will agree pursuant to an intergovernmental agreement with the AUTHORITY to provide State financial support in the amount of \$1,550,000; and

WHEREAS, the VILLAGE is in accord with and has made various commitments in the AUTHORITY'S application to the Department of Commerce and Community Affairs; and

WHEREAS, pursuant to said AUTHORITY application, various responsibilities are placed upon the VILLAGE and the AUTHORITY; and

WHEREAS, the VILLAGE and the AUTHORITY hereby desire to set forth their respective agreements with respect to the construction and operation of the Exhibition Hall and Sub-Phase A of Phase 1 of said Orland Park Village Center.

NOW, THEREFORE, for and in consideration of the mutual covenants herein contained, and for other good and valuable considerations, it is agreed by and between the VILLAGE and AUTHORITY as follows:

As an alternative, the AUTHORITY may develop on its site those improvements and exterior lighting features as agreed by the VILLAGE and as approved by the Department of Commerce and Community Affairs. All construction shall be subject to the existing ordinances and codes of the VILLAGE.

8. The AUTHORITY and the VILLAGE agree to allow each other the use of their respective parking facilities without charge. (However, the AUTHORITY shall retain the right to charge the public for parking fees.) The VILLAGE agrees that in the event any of its activities generate such demand for

parking on a regular or repeated basis that the AUTHORITY'S ability to effectively operate the activities of the Exhibition Center is compromised, the VILLAGE shall expand its parking area to alleviate and satisfy the demand.

9. The AUTHORITY agrees to cooperate and consider requests by the VILLAGE to construct roadways, utility lines, drainage facilities, landscaping, parking facilities and sidewalks on AUTHORITY property when such proposed construction is not detrimental to the Exhibition Hall and is consistent with the VILLAGE Center Comprehensive Plan Amendment, and not inconsistent with the application certified by the Department of Commerce and Community Affairs, or the Orland Park Civic Center Act (IRS, Chap. 85, par. 3701, et seq.) and other applicable laws.

10. The AUTHORITY agrees that joint use and access covenants and easements with the VILLAGE shall be established for all exterior public use features of the AUTHORITY property, including sidewalks, courtyards, main access drives, parking areas, and similar facilities.

11. It is intended that as the Village Center development progresses, an association of prime tenants or developers, similar in organization to a condominium management association, shall be formed to guide and assist the development process. This association is planned so that each component of the Village Center development will be coordinated with the operational needs of existing tenants or property owners. The AUTHORITY shall be designated as having an equal voice or role in this association as any other member.

12. The VILLAGE agrees that it will consistently, through its staff or a designated marketing agency or master developer, attempt to further the development of the Village Center property not owned by the AUTHORITY.

13. The AUTHORITY agrees to make every reasonable attempt to operate the Exhibition Center in a diligent, effective and efficient manner. The VILLAGE agrees to fund all annual operating deficits for five (5) years commencing with the opening of the facility. 14. The AUTHORITY, with the advice of the VILLAGE, shall be responsible for the determination of duties and compensation of a Manager for the operation of the Exhibition Center. The AUTHORITY shall be responsible for the selection/dismissal of the Manager.

15. The AUTHORITY shall prepare an annual budget and present it to the VILLAGE at least 90 days prior to the beginning of the AUTHORITY'S fiscal year which shall be May 1st through April 30th. The VILLAGE shall examine the budget and render its written comments thereon within the 30-day period after receipt of the budget. Within the following 30 days the AUTHORITY shall respond in writing to the VILLAGE Board's comments. Prior to the beginning of the AUTHORITY'S fiscal year, the AUTHORITY shall take action to adopt its budget in final form. While final approval of the Budget shall rest in the discretion of the AUTHORITY, the purpose of the review described in this Section 15 is to seek the VILLAGE Board's advice and comment.

16. The AUTHORITY shall be responsible for applying for grants, foundation assistance, private contributions, and other revenue generating sources to assure an active and vital role for the Exhibition Center

programs, activities and operating expenses. Application for arts, cultural programming, or other assistance may be sought from: The Illinois Arts Council, the National Endowment for the Arts, the Joyce Foundation, the Illinois Tourism Matching Grant Program through the Department of Commerce and Community Affairs, and other similar sources.

17. The VILLAGE shall be compensated for up to 65% of the operating deficit generated by the AUTHORITY through VILLAGE reservation and use of the facility at then current rates for the type of space reserved as compensation for and reduction of the deficit. Priority for use of the facility, however, shall remain with other public or private users on a reservation basis.

18. The VILLAGE shall make available to the AUTHORITY, at no charge, the use of its VILLAGE Board chambers/meeting room, tentatively planned as a 200 to 400 fixed seat facility. The scheduling of use of this facility shall be mutually agreed upon by the VILLAGE and the AUTHORITY. The facility shall be made available to the AUTHORITY no less than (30) times per year. The VILLAGE reserves the right to limit certain uses which may generate greater than normal maintenance or repair needs unless mutually agreeable terms can be established. The VILLAGE agrees the income generated from the AUTHORITY'S use of this facility may be used for operations of the AUTHORITY.

REVERSION CLAUSE

The VILLAGE and the AUTHORITY agree that at the time the Illinois Civic Center Bonds, Series 1985, have matured, or after a period of ninety-nine

(99) years from the date of this Agreement, whichever occurs first, the facility designated as Phase 1, Sub-Phase A will become the property of the VILLAGE OF ORLAND PARK.

IN WITNESS WHEREOF, the VILLAGE and AUTHORITY have caused this Agreement to be duly executed by their authorized officers pursuant to Resolution passed by the respective Corporate Authorities thereof.

3716. Members—Terms—Oath

§ 4-16. Within 60 days after this Act becomes effective, the Village President of Oriand Park, with the advice and consent of the Oriand Park Village Board of Trustees, shall appoint 7 members of the Board, 2 members to be appointed for terms of one year, 2 members to be appointed for terms of 2 years, and 3 members to be appointed for terms of 3 years, such terms commencing on the date each is appointed. One of the members appointed may be a representative from the Oriand Park Village Board of Trustees. At the expiration of the term of any member, his successor shall be appointed by the Village President of Oriand Park in a like manner. All successors shall hold office for a term of 3 years from the date of appointment, except in case of an appointment to fill a vacancy. Within 30 days after certification of his appointment, and before entering upon the duties of his office, each member of the Board shall take and subscribe the constitutional oath of office and file it in the office of the Secretary of State.

3717. Resignations, removals or vacancies

§ 4-17. Members of the Board shall hold office until their respective successors have been appointed and qualified. Any member may resign from his office to take effect when his successor has been appointed and has qualified. The appointing officer may remove any member of the Board appointed by him, in case of incompetency, neglect of duty, or malfeasance in office, after service on him, by registered United States mail, return receipt

requested, of a copy of the written charges against him, and by providing him an opportunity to be publicly heard in person or by counsel in his own defense upon not less than 10 days' notice. In case of failure to qualify within the time required, or of abandonment of office, or in case of death, conviction of a felony or removal from office, a member's office shall become vacant. Each vacancy shall be filled for the unexpired term by appointment in like manner as in case of expiration of the term of a member of the Board.

3718. Officers—By-laws and regulations

§ 4-18. As soon as practicable after the appointment of the initial members, the Board shall organize for the transaction of business, select a chairman and a temporary secretary from its own number, and adopt by-laws and regulations to govern its proceedings. The initial chairman and his successors shall be elected by the Board from time to time for the term of his office as a member of the Board or for a term of 3 years, whichever is shorter.

3719. Meetings—Records

§ 4-19. Regular meetings of the Board shall be held at least once in each calendar month, the time and place of such meetings to be fixed by the Board. Four members of the Board shall constitute a quorum for the transaction of business. All action of the Board shall be by ordinance or resolution and the affirmative vote of at least 4 members shall be necessary for the adoption of any ordinance or resolution. All ordinances, resolutions and records of proceedings of the Authority, and all documents and records in its possession, shall be public records open to public inspection, except such documents and records as shall be kept or prepared by the Board for use in negotiations, actions or proceedings to which the Authority is a party.

3720. Secretary—Treasurer—Sureties

§ 4-20. The Board shall appoint a secretary and a treasurer, who need not be members of the Board, to hold office at the pleasure of the Board, and fix their duties and compensation. Before entering upon their duties of their respective offices they shall take and subscribe the constitutional oath of office, and the treasurer shall execute a bond with corporate sureties to be approved by the Board. The bond shall be payable to the Authority in whatever penal sum may be directed upon the faithful performance of the duties of the office and the payment of all money received by him according to law and the orders of the Board. The Board may, at any time, require a new bond from the treasurer in such penal sum as may then be determined by the Board. The obligation of the sureties shall not extend to any loss sustained by the insolvency, failure or closing of any savings and loan association or national or State bank wherein the treasurer has deposited funds if the bank or savings and loan association has been approved by the Board as a depository for these funds. The oaths of office and the treasurer's bond shall be filed in the principal office of the Authority.

3721. Deposit of funds—Withdrawals—Payments

§ 4-21. All funds deposited by the treasurer in any bank or savings and loan association shall be placed in the name of the Authority and shall be withdrawn or paid out only by check or draft upon the bank or savings and loan association, signed by the treasurer and countersigned by

the chairman of the Board. The Board may designate any of its members or any officer or employee of the Authority to affix the signature of the chairman and another to affix the signature of the treasurer to any check or draft for payment of salaries or wages and for payment of any other obligation of not more than \$2,500.

No bank or savings and loan association shall receive public funds as permitted by this Section unless it has complied with the requirements established pursuant to Section 6 of "An Act relating to certain investments of public funds by public agencies", approved July 23, 1943, as now or hereafter amended.¹

¹ Paragraph 906 of this chapter.

3722. Officers' signatures on checks or drafts—Validity

§ 4-22. In case any officer whose signature appears upon any check or draft, issued pursuant to this Act, ceases (after attaching his signature) to hold his office before the delivery thereof to the payee, his signature nevertheless shall be valid and sufficient for all purposes with the same effect as if he had remained in office until delivery thereof.

3723. General manager—Attorney—Chief engineer

§ 4-23. The Board may appoint a general manager who shall be a person of recognized ability and business experience to hold office at the pleasure of the Board. The general manager shall manage the properties and business of the Authority and of the employees thereof subject to the general control of the Board, and shall direct the enforcement of all ordinances, resolutions, rules and regulations of the Board, and shall perform such other duties as may be prescribed from time to time by the Board. The Board may appoint a general attorney and a chief engineer and shall provide for the appointment of such other officers, attorneys, engineers, consultants, agents and employees as may be necessary. The Board shall define their duties and require bonds of such of them as the Board may designate. The general manager, general attorney, chief engineer, and all other officers provided for pursuant to this Section shall be exempt from taking and subscribing any oath of office and shall not be members of the Board. The compensation of the general manager, general attorney, chief engineer, and all other officers, attorneys, consultants, agents and employees shall be fixed by the Board.

3724. Ordinances—Rules and regulations

§ 4-24. The Board shall have power to pass all ordinances and make all rules and regulations proper or necessary to carry into effect the powers granted to the Authority, with such fines or penalties as may be deemed proper. All fines and penalties shall be imposed by ordinance, which shall be published in a newspaper of general circulation published in the metropolitan area. No such ordinance shall take effect until 10 days after its publication.

3725. Contracts, concessions or leases—Bidding

§ 4-25. All contracts for sale of property of the value of more than \$2500, or for a concession in or lease of property, including air rights, of the Authority for a term of more than one year, shall be awarded to the highest responsible bidder, after advertising for bids. All construction contracts and contracts for supplies, materials, equipment and services, when the expense thereof will

exceed \$2500, shall be let to the lowest responsible bidder, after advertising for bids, except: (1) when repair parts, accessories, equipment or services are required for equipment or services previously furnished or contracted for; (2) when the nature of the services required is such that competitive bidding is not in the best interest of the public, including, without limiting the generality of the foregoing, the services of accountants, architects, attorneys, engineers, physicians, superintendents of construction, and others possessing a high degree of skill; and (3) when services such as water, light, heat, power, telephone or telegraph are required.

All contracts involving less than \$2500 shall be let by competitive bidding to the lowest responsible bidder whenever possible, and in any event in a manner calculated to insure the best interests of the public.

In determining the responsibility of any bidder, the Board may take into account the past record of dealings with the bidder, experience, adequacy of equipment, ability to complete performance within the time set, and other factors besides financial responsibility, but in no case shall any such contract be awarded to any other than the highest bidder in case of sale, concession or lease, or the lowest bidder in case of purchase or expenditure, unless authorized or approved by a vote of at least ¼ of the members of the Board, and unless such action is accompanied by a statement in writing setting forth the reasons for not awarding the contract to the highest or lowest bidder, as the case may be, which statement shall be kept on file in the principal office of the Authority and open to public inspection.

Members of the Board, officers and employees of the Authority, and their relatives within the fourth degree of consanguinity by the terms of the civil law, are forbidden to be interested directly or indirectly in any contract for construction or maintenance work or for the delivery of materials, supplies or equipment.

The Board shall have the right to reject all bids and to readvertise for bids. If after any such advertisement no responsible and satisfactory bid, within the terms of the advertisement, shall be received, the Board may award such contract, without competitive bidding, provided that it shall not be less advantageous to the Authority than any valid bid received pursuant to advertisement.

The Board shall adopt rules and regulations to carry into effect the provisions of this Section.

3726. Advertisements—Bids

§ 4-26. Advertisements for bids shall be published at least twice in a daily newspaper of general circulation published in the metropolitan area, the last publication to be at least 10 calendar days before the time for receiving bids, and such advertisements shall also be posted on readily accessible bulletin boards in the principal office of the Authority. Such advertisements shall state the time and place for receiving and opening of bids, and by reference to plans and specifications on file at the time of the first publication, or in the advertisement itself, shall describe the character of the proposed contract in sufficient detail to fully advise prospective bidders of their obligations and to insure free and open competitive bidding.

All bids in response to advertisements shall be sealed and shall be publicly opened by the Board, and all bidders shall be entitled to be present in person or by representatives. Cash or a certified or satisfactory cashier's check,

as a deposit of good faith, in a reasonable amount to be fixed by the Board before advertising for bids, shall be required with the proposal of each bidder. Bond for faithful performance of the contract with surety or sureties satisfactory to the Board and adequate insurance may be required in reasonable amounts to be fixed by the Board before advertising for bids.

The contract shall be awarded as promptly as possible after the opening of bids. The bid of the successful bidder, as well as the bids of the unsuccessful bidders, shall be placed on file and be open to public inspection. All bids shall be void if any disclosure of the terms of any bid in response to an advertisement is made or permitted to be made by the Board before the time fixed for opening bids.

3727. Report—Financial statement

§ 4-27. As soon after the end of each fiscal year as may be expedient, the Board shall cause to be prepared and printed a complete and detailed report and financial statement of its operations and of its assets and liabilities. A reasonably sufficient number of copies of such report shall be printed for distribution to persons interested upon request, and a copy thereof shall be filed with the county clerk and the Village President of Oriand Park.

3728. Property tax exemption

§ 4-28. All property of the Authority shall be exempt from taxation by the State or any taxing unit therein.

3729. Anti-trust laws—State action exemption

§ 4-29. The Authority is hereby expressly made the beneficiary of the provisions of Section 1 of "An Act to make explicit the authorization for units of local government and certain other governmental bodies to act as permitted by statute or the Illinois Constitution, notwithstanding effects on competition", amendatory veto overridden November 3, 1983,¹ and the General Assembly intends that the "State action exemption" to the application of the federal anti-trust laws be fully available to the Authority to the extent its activities are either (1) expressly or by necessary implication authorized by this Act or other Illinois law, or (2) within traditional areas of local governmental activity.

¹ Paragraph 2901 of this chapter.

3730. State financial support

§ 4-30. The Authority created by this Act shall receive financial support from the State in the amounts provided for in Section 4 of the Metropolitan Civic Center Support Act.¹
