Proposal

Date	Estimate #
4/7/2014	199

Name / Address
Village of Orland Park Department of Public Works 15655 Ravinia Avenue Orland Park, IL 60462

Job Address

Description	Qty	Rate	Total
Haul approximately 400 yards of clay from storage yard on 151st and approximately West Ave. to the "turnaround" at 155th and La Grange Rd. The price per load includes a machine to load at the storage yard and a machine to blade/spread the spoil at the dump site. NOTE: Loads are approximate estimate and could be slightly more or less	40	175.00	7,000.00
Total			\$7,000.00

Any alteration or deviation from above specifications involving extra costs will be executed upon written order and will become an extra charge over and above the written estimate. In the event that payment is not deposited with Redmond Excavating and Construction Services Inc. as specified above the breaching party herein understands that any further work under this agreement will be suspended until payment is made. Further the breaching party herein understands and agrees that all court costs, reasonable attorneys fees associated with mechanics liens and any other out of pocket expenses that Redmond Excavating and Construction Services Inc incurs as a result of enforcing the terms of this agreement shall be the responsibility of the breaching party.

Home Owner/General Contractor/Builder will be responsible to pay for unexpected costs such as contaminated soil, underground utilities, cave-ins or any other factors that cannot be determined until site work commences. This price includes a certificate of insurance and a bond as required by the municipality where work is being performed. Additional insurance will be charged accordingly. Please sign and date Proposal before work commences.
