**Re:** Deck Chairs

---

Listed below our two price quotes for Nautical Chaise lounges for the aquatic center. There is \$10,000 budgeted for this item. There are limited vendors who sell this chair and we were unable to get a third quote. In 2006, we purchased these chairs. It is our intention to purchase additional chairs each year to replace.

Staff recommends that we purchase 66 chairs from Zenon Company.

**Nautical Chaise by Grosfillex.**
