**Option 1 - Sole Source Justification**

A Sole Source Purchase is available from only one supplier and must meet at least one of the following criteria (check the appropriate box):

- |                                               |                                                                                                                                |
|-----------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| <input type="checkbox"/> One-of-a-Kind        | The commodity or service has no competitive product alternatives available on the market.                                      |
| <input type="checkbox"/> Compatibility        | The commodity or service must match existing brand of equipment for compatibility.                                             |
| <input type="checkbox"/> Replacement Part     | The commodity is a replacement part for a specific brand of existing equipment.                                                |
| <input type="checkbox"/> Operation Continuity | The commodity or service is needed to maintain operational continuity.                                                         |
| <input type="checkbox"/> Unique Design        | The commodity or service must meet physical design or quality requirements.                                                    |
| <input type="checkbox"/> Delivery Date        | Only one supplier can meet necessary delivery requirements.                                                                    |
| <input type="checkbox"/> Emergency            | <a href="#">PER VILLAGE CODE 1-16-3 (E)</a> : URGENT NEED for the item or service does not permit soliciting competitive bids. |
| <input type="checkbox"/> Other                | _____                                                                                                                          |

**Explain how your purchase of goods or services meets one or more of the above criteria for a valid sole source**

**Price Reasonableness**

I determined that the price is reasonable for one of the following reasons:

☐ Relevant documentation attached

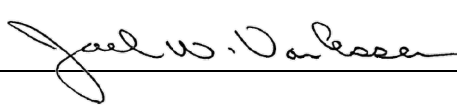

- |                                                                                                                                                              |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <input type="checkbox"/> I compared the proposed price to prices I previously paid for the same or similar services.                                         |
| <input type="checkbox"/> I compared the proposed price to current published catalog, price lists, or market prices as documented in the attachments.         |
| <input type="checkbox"/> I compared the proposed price to rough yardsticks and did not discover significant inconsistencies that warrant additional inquiry. |
| <input type="checkbox"/> Based on my knowledge of the market, my experience of prior similar proposals, or knowledge imparted by technical experts.          |
| <input type="checkbox"/> The price is set by law or regulations.                                                                                             |
| <input type="checkbox"/> Market research reveals that same or similar goods or services are available for a similar price.                                   |
