Subject: Change Order #1
Fairway Stage 3 Drainage & Watermain Improvements
Village of Orland Park - Requisition No. 19-000615
(Burke, LLC Project No. 01-150-133)

Dear Mr. Ingram:

As requested, Burke, LLC proposes to install CLASS D PATCHES, TYPE IV, 5-INCH in lieu of the original contract item of CLASS D PATCHES, TYPE IV, 2-INCH. If approved, this change will provide for a permanent trench patch that won't need to be replaced when the streets are later resurfaced. The current contract price for the 2-inch depth patch is \$25/SY * 4,400 SY = \$110,000. The price provided by Bolder Contractors to install the patch at a 5-inch depth is \$49/SY * 4,400 SY = \$215,600.

Our Lump Sum proposal to complete this work is as follows: \$215,600 - \$110,000 (credit) = \$105,600 + 8% CM Fee = **\$114,048**.

Sincerely,

Orion Gale, PE
Principal
