Program Director

Mrs. Petrow,

Here is the estimate you requested for your 9' Haddorff grand. The estimate is to completely rebuild and refinish the instrument. I have restored many 9' grands and this piano has the potential to be one of the finest pianos in Chicagoland. Although I believe in competitive bidding, please also consider my quality and competence in your decision.

Included in my bid is a stage dolly and padded cover. I believe this is an important consideration since this will allow for safe moving of the piano from room to room. Rolling the piano on the existing casters is not recommended and creates a serious liability for both the piano and the people moving it. The new dolly will need to be customized to accommodate the 6 leg style. I have designed and done this before. The cover will protect the piano from surface scratching of the new finish.

The following work will bring the piano back to its original condition and is guaranteed for 15 years. If you have any further questions feel free to phone me.

Best Regards,
John Koelle
