B. WAIVER -- TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

SECTION IV -- BUSINESS AUTO CONDITIONS, subsection A. Loss Conditions, paragraph 5. Transfer Of Rights Of Recovery Against Others To Us is amended to add:

We waive any right of recovery we may have against any person or organization when you and such person or organization have agreed in writing in a contract or agreement that such person or organization be waived from recovery because of payments we make for injury or damage arising out of an "accident" and resulting from the ownership, maintenance or use of a covered "auto". However, our rights may only be waived prior to the "accident" for which we make payment under this Coverage Part. The insured must do nothing after a loss to impair our rights.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS – COMPLETED OPERATIONS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name of Person or Organization: Any project described in a written agreement with the additional insured
Location And Description of Completed Operations:
Additional Premium:

(If no entry appears above, information required to complete this endorsement will be shown in the Declarations as applicable to this endorsement.)

Section II – Who Is An Insured is amended to include as an insured the person or organization shown in the Schedule, but only with respect to liability arising out of "your work" at the location designated and described in the schedule of this endorsement performed for that insured and included in the "products-completed operations hazard".

B. Additional Insured When Required By Written Agreement – Completed Operations

1. Additional Insured – Completed Operations

WHO IS AN INSURED is amended to include as an additional insured any person or organization, when you and such person or organization have agreed in a written agreement prior to a loss, that such person or organization be added as an additional insured on your policy, but only with respect to "bodily injury" or "property damage" caused, in whole or in part, by "your work" performed for that additional insured and included in the "products-completed operations hazard".

2. Limitations

The Additional Insured - Completed Operations coverage is limited as follows:

- a. This insurance does not apply to "bodily injury" or "property damage" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:
 - (1) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
 - (2) Supervisory, inspection, architectural or engineering activities.
- b. A person or organization's status as an insured under Additional Insured - Completed Operations continues only until the earlier of the end of the policy period; or the period of time required by the written agreement. If no time period is required by the written agreement, a person or organization's status as an additional insured under this endorsement will not apply beyond the lesser of the end of the policy period; or five years from the completion of "your work" on the project which is the subject of the written agreement.
- c. The insurance as provided to the additional insured does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of "your work" for which a consolidated (wrap-up) insurance program has been provided by the prime contractor-project manager or owner of the construction project in which you are involved.
- d. The Limits of Insurance applicable to the additional insured are those specified in the written agreement or in the Declarations for this policy, whichever is less. These Limits of Insurance are inclusive and not in addition to the Limits of Insurance shown in the Declarations. If other insurance available to you and written by us is applicable to this additional insured, the maximum recovery under all coverage forms or policies combined may equal but not exceed the highest applicable limit under any one coverage form or policy providing coverage on either a primary or excess basis.

C. Primary And Noncontributory

Excess Insurance

This insurance is excess over any other insurance available to the additional insured whether primary, excess, contingent or on any other basis unless the written agreement described in A. and B. above specifically requires that this insurance be either primary or primary and noncontributory.
