ITEMS FOR SEPARATE ACTION**2012-0056 AED Donation - Recommended Ordinance**

Deputy Chief Jerry Hughes reported that In 2000 the Police Department began a program to purchase and deploy AEDs (Automated External Defibrillator) in patrol vehicles for first responder use. The older AEDs, purchased in 2000, were not designed to be used on children and the cost of batteries and maintenance of the aging units were becoming less cost effective.

In 2011, the department purchased 4 new AEDs which are equipped with a child key function enabling the AED to be used on children. Several older and worn AEDs have been phased out of the daily first responder program, although are still functional.

The SSERT (South Suburban Emergency Response Team), in which the Orland Park Police Department is a member, has requested a donation of an AED for deployment at their training center. The department is seeking to donate one of the phased out AEDs to the South Suburban Emergency Response Team to be used at their training center.

I move to recommend to the Village Board to pass an Ordinance entitled:
**ORDINANCE AUTHORIZING THE DONATION OF MUNICIPAL PROPERTY TO
THE SOUTH SUBURBAN EMERGENCY RESPONSE TEAM (LIFEPAK 500 AED)**

**A motion was made by Trustee Schussler, seconded by Trustee Fenton, that this matter be RECOMMENDED FOR PASSAGE to the Board of Trustees.
The motion carried by the following vote:**
