Bidders will be required to submit costs for Snow & Ice Removal based on the following Fee Schedule. Bidders will be compensated based on hourly rates for use of the specified equipment to perform the specified services that is selected, ie. Cul-de-sacs/elbows/dead-ends, parking lots, paths/sidewalks, and roadways. Bidders will be awarded this procurement not necessarily based on least cost, but rather to the contractor whose bid and documentation best meets the requirements of this document. The contractor shall provide all necessary labor, tools, equipment, materials, and supplies to complete the contracted work.

The bid shall include a detailed list of the equipment that the contractor will have available, including the following information for each piece of equipment:

1. The make and model of equipment
2. Age of equipment
3. Condition of equipment

All costs entered below shall be on an hourly rate for the 2021/2022, 2022/2023, and 2023/2024 Snow Seasons. Contractors will be given an opportunity to submit a percentage increase for the 2024/2025 and 2025/2026 seasons.
