**WHEREAS**, the TIF Plan sets forth the conditions in the Redevelopment Project Area qualifying the Redevelopment Project Area as a “conservation area,” and the Village President and Board of Trustees have reviewed testimony concerning these conditions presented at the Public Hearing and are generally informed of the conditions causing the Redevelopment Project Area to qualify as an “conservation area,” as that term is defined in Section 11-74.4-3 of the TIF Act, 65 ILCS 5/11-74.4-3; and

**NOW, THEREFORE, BE IT ORDAINED BY THE VILLAGE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF ORLAND PARK, COOK AND WILL COUNTIES, ILLINOIS, AS FOLLOWS:**

**SECTION 1: Incorporation.** The recitals above shall be and are incorporated in this Section 1 as if fully restated in this Section.

**SECTION 2: Findings.** That the Village President and Board of Trustees make the following findings:

- A. The area constituting the Redevelopment Project Area is described and depicted as set forth in the attached **EXHIBIT A**;
- B. The written document attached as **EXHIBIT B**, which has been prepared by the Village's consultants, S.B. Friedman and Company, constitutes a "redevelopment Plan" and describes a "redevelopment project", as those terms are defined in the Act, and is entitled the "Tax Increment Financing District Eligibility Study, and Redevelopment Plan and Project for the Downtown Orland Park Redevelopment Project Area" ("Eligibility Study");
- C. There exist conditions which cause the area proposed to be designated as the Redevelopment Project Area to be classified as a "conservation area," as such term is defined in Section 11-74.4-3 of the TIF Act, 65 ILCS 5/11-74.4-3;
- D. The Redevelopment Project Area on the whole has not been subject to growth and redevelopment through investment by private enterprise and would not be reasonably anticipated to be redeveloped without the adoption of the TIF Plan;
- E. The Redevelopment Project Area would not reasonably be redeveloped without the tax increment derived from real property tax incremental revenues, and the increment from such revenues will be exclusively utilized for the redevelopment as set forth in the TIF Plan within the Redevelopment Project Area (except as provided in 65 ILCS 5/11-74.4-4(q), as incorporated into the TIF Plan budget of estimated redevelopment project costs);
- F. The TIF Plan conforms to the Village's Comprehensive Plan for the development of the Village as a whole;
- G. The parcels of real property in the Redevelopment Project Area are contiguous and only those contiguous parcels of real property and improvements which will be substantially benefited by the TIF Plan and Project are included in the Redevelopment Project Area;
- H. The estimated date for final completion of the TIF Plan and Project is December 31st of the year in which the payment to the Village Treasurer is made with respect to *ad valorem* taxes levied in the twenty-third (23rd) calendar year after the year in which the ordinance approving the Redevelopment Project Area is adopted, which, as to the TIF District, is December 31, 2049; and
- I. The estimated date for retirement of obligations incurred to finance TIF Plan and Project costs is not later than December 31st of the year in which the payment to the Village Treasurer is made with respect to *ad valorem* taxes levied in the twenty-third (23rd) calendar year after the year in which the ordinance approving the Redevelopment Project Area is adopted, which, as to the TIF District, is December 31, 2049;

J. The Village President and Board of Trustees intend to adopt a Redevelopment Agreement that will govern the redevelopment of the Redevelopment Project Area.

**SECTION 3: Adoption of the Eligibility Study.** The Eligibility Study as set forth in **EXHIBIT B** as the TIF Plan and Project, is adopted as if fully set forth in this Section.

**SECTION 4: Establishment of the Tax Increment Financing District.** The Redevelopment Project Area as described in **EXHIBIT A** is designated and established as the Downtown Orland Park Tax Increment Financing District.

**SECTION 5: Adoption of Tax Increment Financing as Applied to the Redevelopment Project Area.** Pursuant to the Act, tax increment financing is established, adopted and shall be applied to the Redevelopment Project Area.

**SECTION 6: Severability.** If any Section, paragraph or provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such Section, paragraph or provision shall not affect any of the remaining provisions of this Ordinance.

**SECTION 7: Repeal.** That all ordinances, resolutions, motions or parts that are in conflict with this Ordinance shall be and the same are hereby repealed.
