Village of Orland Park Public Works Department  
Attn: John Ingram  
15655 Ravinia  
Orland Park, IL 60462

Dear John,

Thanks again for the opportunity to continue working with you on the tree removals in the Village of Orland Park. From our end the relationship went quite well in year one. Based on our conversation, you will be increasing the number of trees per year over the next two years. As discussed, we have expanded our operation to handle this new volume. Additionally, while municipal tree pricing has been steadily rising in the last year, we enjoy working with the Village of Orland Park and are comfortable with continuing the current unit price structure as follows:

- 0-3" – \$67.27 per tree
- 3-6" – \$82.69 per tree
- 6-12" -- \$154.47 per tree
- 12-18" -- \$214.90 per tree
- 18-24" -- \$305.33 per tree
- > 24" – amended to \$660.68 per tree

We look forward to working with you in the coming years as we have over the last decade. If you have any questions, please call me at 708-670-9573. Thank you very much.

Sincerely,

Keith Pekau  
President, GroundsKeeper Landscape Care.
