MONTGOMERY OPENING 2010

The BUONA Story

In 1981, Mom and Dad created BUONA with a few Buonavalanto family recipes and a simple idea - good food, made fresh, to taste great. Today, we carry on the family tradition with pride and the help of our extended BUONA family.

The recipes we brought from Naples, that were perfected in the old Italian neighborhood of Chicago, are still the heart of our menu. In Italy, the word "buona" means good. Here, BUONA means something even better. But just remember, our food takes a little time to prepare, so take some time to relax, feel comfortable, and enjoy, whether you're dining at our place or yours.

Thanks for visiting us today and we look forward to serving you again soon.
