990848-01-11-16

The Illinois Prevailing Wage Act (820 ILCS 130/01, et seq.) does apply to this Contract.

This Contract calls for the construction of a “public work”, within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/.01, et seq. (“the Act”). The Act requires contractors and subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the current “prevailing rate of wages” (hourly cash wages plus amount for fringe benefits) in the county where the work is performed. The Illinois Department of Labor (“IDOL”) publishes the prevailing wage rates on its website at <http://labor.illinois.gov/>. The IDOL may revise the prevailing wage rates from time to time and the contractor/subcontractor has an obligation to check the IDOL’s website for revisions to prevailing wage rates and comply with the most current prevailing wage rates. For information regarding current prevailing wage rates, please refer to the IDOL website. All contractors and subcontractors rendering services under this contract must comply with all requirements of the Act, including but not limited to, all wage requirements and notice and record keeping duties, including but not limited to each contractor and subcontractor who participates in public works to file with the Illinois Department of Labor (IDOL) certified payroll for those calendar months during which work on a public works project has occurred. The Act requires certified payroll to be filed with IDOL no later than the 15th day of each calendar month for the immediately preceding month through the Illinois Prevailing Wage Portal—an electronic database IDOL has established for collecting and retaining certified payroll. The Portal may be accessed using this link: <https://www2.illinois.gov/idol/Laws-Rules/CONMED/Pages/Prevailing-Wage-Portal.aspx>. The Village reserves the right to withhold payment due to Contractor until Contractor and its subcontractors display compliance with this provision of the Act. The Contractor shall also pay prevailing wages at rates not less than those prevailing under Davis-Bacon Wage Act Provisions as determined by the U.S. Department of Labor to all laborers, workmen and mechanics performing work under this Contract, if such Act is applicable, and, in such event, the more restrictive (i.e., higher) prevailing wage requirements shall be applicable.

*Artistic Holiday Designs offer an early renewal sign up at the beginning of every year for 10% off. Due to RFP, an extension will be offered to allow for the early renewal pricing. The offer is valid for 30 after the decision on RFP.

Artistic Holiday Designs will continue to service the out of warranty product owned by the village for the set fee listed. AHD reserves the right to inform the City the product must be refurbished as it is too old to service. If/when that happens, we will replace all lights, cords, transformers, plastics, or carpets and reset the product back to "new" condition and issue a 2 year warranty. This project has to be quoted in real time so we cannot provide a cost for this, but we do estimate it at 30% of the original purchase price.

Scope: Artistic Holiday Designs worked closely with the team in New Lenox to develop a destination for holiday decor. The city's goal was to bring visitors from around the surrounding cities to see the lights and engage in local retailers. New Lenox has been one of the top ten communities in the Chicago metropolitan area for new housing starts for the past few years. Our team designed the a large light display for the main village circle. Our largest decor, Papá Noel, towers at 36 ft tall. A large illuminated mailbox sat in front inviting children to drop their "Letters to Santa". In return, the village staff and volunteers mailed out letters from Santa. Five large interactive displays were installed around the main grounds along with an ice skating rink, and hot cocoa stand. The city recorded visitors from 85 different cities in 2018.

Artistic Holiday Designs is designated as the prime contractor for holiday decor, display designs, shipping, contract management, overall project management, installation, service, maintenance, removal, and storage. Services completed in 2016, 2017, 2018, and 2019

To Whom It May Concern:

The Village of Lemont has had the pleasure of working with Artistic Holiday Designs the past two winter holiday seasons. They are an integral business in our community and understand the overall results we were trying to achieve and how to make it happen.

During our time in working with Artistic Holiday Designs, it has been an effortless experience. Not only are their decorative lighted designs the best quality and amazingly beautiful, the staff is quick to respond to questions and provides renderings, information, materials and installation in a timely manner. They are very professional and friendly.

The Artistic Holiday Design staff created a vision for our holiday lighting displays that we could not have imagined. They worked within our budget and made our downtown into a holiday destination location, bringing thousands of people to our historic downtown.

Additionally, we received hundreds of comments from residents and visitors about how beautiful the downtown lighting displays were. Business owners reported that they had a significant increase in foot traffic which led to an increase in sales. This was a benefit to the entire community.

I wholeheartedly recommend Artistic Holiday Designs for decorative lighting displays and would be happy to answer any questions at 630-257-1590 or email lmolitor@lemont.il.us. We are looking forward to expanding our 2020-2021 holiday season with additional lighting displays by Artistic Holiday Designs.

*Artistic Holiday Designs offer an early renewal sign up at the beginning of every year for 10% off. Due to RFP, an extension will be offered to allow for the early renewal pricing. The offer is valid for 30 after the decision on RFP.

Artistic Holiday Designs will continue to service the out of warranty product owned by the village for the set fee listed. AHD reserves the right to inform the City the product must be refurbished as it is too old to service. If/when that happens, we will replace all lights, cords, transformers, plastics, or carpets and reset the product back to "new" condition and issue a 2 year warranty. This project has to be quoted in real time so we cannot provide a cost for this, but we do estimate it at 30% of the original purchase price.

Thank you for allowing Artistic Holiday Designs the opportunity to present our proposal.
