- No permit costs are included, if required they will be charged back to the customer.
- Orland Park must provide ample power at each location to handle the anticipated loads.
- No timers are quoted for any of the areas. If timers are needed they will be added at \$20/timer.
- Quantity of strands quoted are per the issued RFP. If additional 100ct LED light strands are required at Village's request, they will be installed at a price of \$35 per strand.
