Rich,

The Crack Sealing program for the 2016 was a success. Our contract with the Village of Orland Park has expired and I would like to extend to you and the Village the same unit cost for the upcoming 2017 season. The cost would be held at \$1.23 per pound and \$.01 per linear foot for Crack Routing for the 2017 season with the option of extending it to the 2018 & 2019 season.

Let me know if this is something that you and the Village of Orland Park would be interested in participating in.

Sincerely,

Matt Sollars, President  
Patriot Pavement Maintenance
