☒ The Illinois Prevailing Wage Act (820 ILCS 130/01, et seq.) does apply to this Contract.

This Contract calls for the construction of a “public work”, within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/01, et seq. (“the Act”). The Act requires contractors and subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the current “prevailing rate of wages” (hourly cash wages plus amount for fringe benefits) in the county where the work is performed. The Illinois Department of Labor (“IDOL”) publishes the prevailing wage rates on its website at <http://labor.illinois.gov/>. The IDOL may revise the prevailing wage rates from time to time and the contractor/subcontractor has an obligation to check the IDOL’s website for revisions to prevailing wage rates and comply with the most current prevailing wage rates. For information regarding current prevailing wage rates, please refer to the IDOL website. All contractors and subcontractors rendering services under this contract must comply with all requirements of the Act, including but not limited to, all wage requirements and notice and record keeping duties, including but not limited to each contractor and subcontractor who participates in public works to file with the Illinois Department of Labor (IDOL) certified payroll for those calendar months during which work on a public works project has occurred. The Act requires certified payroll to be filed with IDOL no later than the 15th day of each calendar month for the immediately preceding month through the Illinois Prevailing Wage Portal—an electronic database IDOL has established for collecting and retaining certified payroll. The Village reserves the right to withhold payment due to Contractor until Contractor and its subcontractors display compliance with this provision of the Act. The Contractor shall also pay prevailing wages at rates not less than those prevailing under Davis-Bacon Wage Act Provisions as determined by the U.S. Department of Labor to all laborers, workmen and mechanics performing work under this Contract, if such Act is applicable, and, in such event, the more restrictive (i.e., higher) prevailing wage requirements shall be applicable.

The Contractor shall require all subcontractors (if any) to conform with said laws, and any rules or regulations now and thereafter issued pursuant to said laws by Contractor, his subcontractors, and/or anyone working through or on behalf of Contractor or Contractor’s subcontractors.

Franklin Loebe Center (FLC) Fire Main Loop - RFP 24-018

History

The Franklin Loebe Center (FLC) was built in the late 1980's. It was constructed with a single dead-end water line service feed from the north. Staff identified this dead-end problem when a project was to decentralize a fire pump for FLC, Village Hall, and Civic Center. Staff designed a looped system back to Ravinia Avenue that will eliminate a

dead end in the potable water system and improve the overall quality of drinking water to the FLC. In a future project to decentralize the fire pump, this loop will provide water also to the fire system of the FLC.

Based on available 2024 funding, Request for Proposals 24-018 "Franklin Lobe Center Fire Main Loop Improvements" was advertised on BidNet Direct from January 15, 2024, to February 15, 2024. Twelve (12) vendors received courtesy emails through Bidnet, and twenty-six (26) companies downloaded the specifications. On February 15, 2024, the Village received five (5) proposals for consideration:

Scanlon Excavating and Concrete, Inc. of Kankakee, IL - \$335,124.50
Trine Construction Corp. of St. Charles, IL - \$392,000.00
Sunset Sewer and Water, Inc. of Monee, IL- \$425,070.00
H. Linden and Sons Sewer and Water of Piano, IL- \$444,000.00
Airy's Inc. of Joliet, IL - \$458,925.00

Staff has done the research and checked on references on Scanlon Excavating and Concrete, Inc. due to them not working with the Village. Staff has found that they are a woman owned company and they do quality work that is on time and within budget. Staff recommends accepting the proposal submitted by Scanlon Excavating and Concrete, Inc. of Kankakee, IL for the Franklin Loebe Center (FLC) Fire Main Loop project in the amount of \$368,636.95 (\$335,124.50 plus 10% or \$33,512.45 contingency). Contingency is being requested for unforeseen items in the ground during construction.

This agenda item is being considered by the Committee of the Whole and the Village Board of Trustees on the same night.

Financial Impact

Funds for this project are available in water capital account 5008150-570500, and is under Board approved budgeted amount of \$375,000.00.

Recommended Action/Motion

I move to approve the proposal from Scanlon Excavating and Concrete, Inc. of Kankakee, Illinois for RFP 24-018 Franklin Loebe Center (FLC) Fire Main Loop in the amount of \$368,636.95 (\$335,124.50 plus 10% or \$33,512.45 contingency);

AND

Authorize the Village Manager to execute all related contracts, subject to Village Attorney review;

AND

To authorize the Village Manager to approve change orders not to exceed the contingency amount.
