ASTOUND FIBER

Resident Expectations

Sequence

- Door Hanger & Notice Sign
- Utility Location & Markings
- Underground Construction
 - Directional bore conduit
 - Install pedestal every 2-3 properties
- Pull Fiber
- Restore Disturbed Areas

We're working to bring award-winning Internet, Mobile, and TV services to your neighborhood! As part of this process, construction will be taking place at or around your home. Please see below for more information on upcoming construction.

WHAT TO EXPECT Utility Locates - Marking of utility lines to ensure safety.

Underground Construction - Directional drilling and conduit/pedestal placement.

Fiber Placement - Fiber will be installed inside newly constructed conduits

Restoration - Areas impacted by construction will be restored to their original condition. Delays may occur depending on the season

We will contact you prior to entering your property Your current services will not be impacted
