---

**DATE:** 8/31/16

**TO:** Doug Medland

**E-MAIL:** dmedland@orland-park.il.us

**FROM:** Bradley V. Clark

**Re:** Danfoss VFD installation

Doug,

Gasvoda & Associates is pleased to present this estimate to install your new Danfoss VFD. We estimate \$2,550.00 to install the VFD. We anticipate one full day to accomplish this work. This estimate includes removal of the old VFD if not already done, installation and connection of the new VFD, and programming. We will ensure operations after installation.

This estimate does not include any other parts or repairs. If you choose to accept this estimate, please sign and return it to me along with your Purchase Order. This estimate is based on time and materials, and that is how you will be billed if you accept and approve this estimate.

Please understand we are not able to anticipate unforeseen issues and are not responsible for delays beyond our control. Our terms are NET 30, we do not electronic invoice and we provide only hard copies for your use. This estimate is valid for 30 days.

Thank you for the opportunity to serve you. Please feel free to contact me with any questions or comments.
