Dear Hailey:

Please allow this letter to serve as acknowledgement that according to the letter dated February 11, 2025 addressed to Arpit Patel regarding the Honest Indian Restaurant, the Park Hill Plaza Shopping Center located at 9160-9240 W. 159th St. in Orland Park, IL does not meet the Village of Orland Park current parking area requirements. Ownership of the shopping center further acknowledges that the Village of Orland Park will review future businesses individually to determine if they will create a parking shortage for the shopping center.

Should there be any questions, please contact me for discussion at 847-635-0080.

Thank you,
