<b>Project Name:</b> North Field-West End Zone Grading <b>Location:</b> Centennial Park Orland Park, IL	<b>Date:</b> 3/16/2020 <b>Plan:</b> 3/16/2020 <b>Rev:</b> N/A

**V3 Construction Group, Ltd. proposes to execute the following work:**

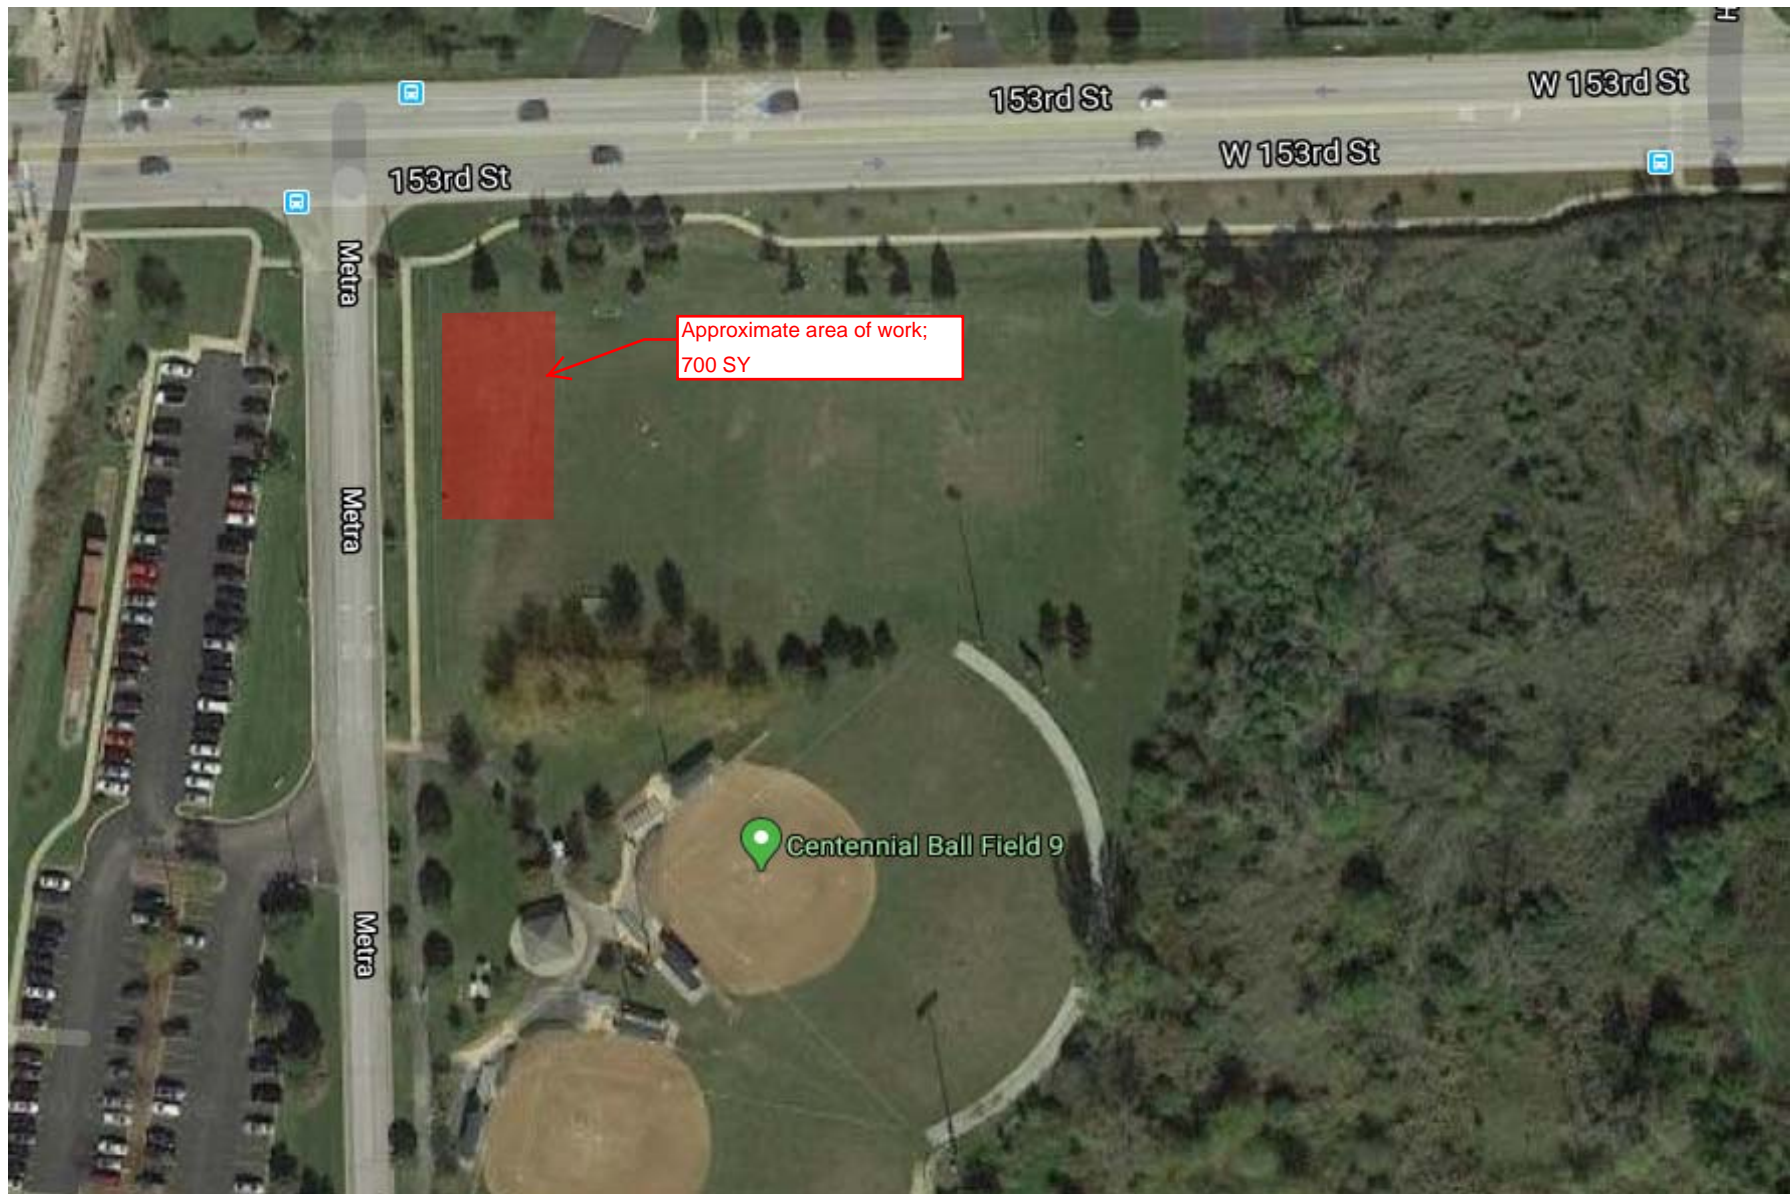

Item	Description	Quantity	Unit	Rate	Total
1.00	Mobilization	1.0	LS	\$1,000.00	\$1,000.00
2.00	End Zone Grading	2.0	DAY	\$5,950.00	\$11,900.00
3.00	Underdrain Installation	150.0	LF	\$25.00	\$3,750.00
4.00	Sod	700.0	SY	\$6.50	\$4,550.00
<b>PROPOSAL TOTAL:</b>				<b>\$</b>	<b>21,200.00</b>

**Project Notes:**

- 1.0 Work will be performed based on the concept plan attached and dated March 16, 2020.
- 2.0 Work is limited to grading of the west end zone to eliminate the existing drainage swale and provide for a level playing field that is sloped back up to the existing sidewalk.
- 3.0 Fence removal is required but not part of this proposal and is to be by Owner.
- 4.0 No material will be imported or exported from the site. Existing material will be re-graded as directed in the field by Owner's representative and V3 foreman.
- 5.0 Existing storm sewer will be relocated by Owner.
- 6.0 Underdrain will be connected to the relocated storm structure provided that structure remains adjacent to the field.
- 7.0 No maintenance of sod is included in this proposal.
- 8.0 This proposal specifically excludes: demolition, bonds, permits, special insurance (waiver of subrogation, pollution liability insurance), testing including QC/QA, handling or disposal of hazardous materials or non-hazardous special waste material, compaction & removal of buried debris, tree roots/stumps or foundations.
- 9.0 This proposal is conditioned upon a Village of Orland Park purchase order being issued as the contract.

***This estimate is based on discussion of scope and concept plan attached dated March 16, 2020.***
