Fixed Fee Services

Project Management

Plan, schedule, and coordinate the activities that must be performed to complete the project and provide support services.

Proactive Maintenance

If included, all services described within this section will be provided by Concentric for the specified fee regardless of actual hours of work performed. Proactive Maintenance is provided for hardware that appears in the Hardware List included in this Agreement.

If included, Concentric will monitor certain aspects of the IT infrastructure, as well as perform periodic routine scheduled maintenance (detailed in the following table) in order to minimize unexpected system shutdowns by resolving issues before they reach a critical nature. Upon completion of the scheduled service, Concentric will provide written confirmation the service was completed.

Scheduled services will be provided during Standard Hours if service does not significantly impact network performance. Scheduled services that may significantly impact network performance, and are not urgently needed to maintain network security, will be scheduled during other hours as agreed upon by Concentric and the Customer. Standard Hours are considered Monday – Friday 7:30 am to 5:00 pm, excluding major holidays.

The following table details the Proactive services included under this Support Agreement, and at what frequency:

Technology & SCADA Budget Planning

Budgeting for SCADA and related technology items can be used to help prioritize and guide decisions and overall budget planning for capital improvements. Concentric believes that providing advanced notice (where possible) of recommended equipment, software, security, and communications improvements will provide a much more effective planning and implementation cycle. When this service is selected, our senior level design staff intentionally review the system architecture to determine the risk and benefit of both inaction or selected improvements. Our staff discusses the recommended improvements, phasing, and costs with you and then provides a letter and prioritized table of recommended improvements that summarize the costs of the recommended initiatives.

Third-Party Support Renewals

The supported system includes hardware and software that may have applicable support and extended warranty agreements that are provided by a third party, such as the manufacturer or vendor/supplier. Once the initial installation's support/warranty period has expired, it is recommended that these agreements are maintained and renewed on a regular basis. If listed in the Included Services & Fees section of this agreement, Concentric will provide the renewals listed in the Third-Party Support Renewal list on Page 10.

Time & Materials (T&M) Services

Break – Fix (Repairs)

Provide as-needed services. This service will be provided 24 hours a day, 7 days per week for the length of this agreement regardless of standard working hours. Concentric's daytime and after-hours phone number is 815-788-3600. Concentric staff typically answers the phone during standard business hours. A call center answers the phone after hours or when staff is not available to answer. Concentric will return any phone calls for urgent service within 30 minutes from when the phone call is placed, and dispatch a staff member within 60 minutes if a site visit is required.

Improvements

Occasionally, staff identify small changes to the system that can have large impacts on operational efficiency, safety, and quality. These improvements can be easily designed and built without use of Consulting & Design services.

Consulting & Design

Through consulting and design, a system can be effectively maintained, improved, and upgraded. This service will provide for retained smaller project design services as it relates to IT infrastructure, instrumentation & controls, and Supervisory Control and Data Acquisition (SCADA).

If Proactive Maintenance is included as part of this Support Services Agreement, Concentric will proactively support the following hardware:

Operations Coverage Endorsement**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

It is understood and agreed as follows:

- I. **WHO IS AN INSURED** is amended to include as an **Insured** any person or organization whom you are required by **written contract** to add as an additional insured on this **coverage part**, but only with respect to liability for **bodily injury, property damage or personal and advertising injury** caused in whole or in part by your acts or omissions, or the acts or omissions of those acting on your behalf:
 - A. in the performance of your ongoing operations subject to such **written contract**; or
 - B. in the performance of **your work** subject to such **written contract**, but only with respect to **bodily injury or property damage** included in the **products-completed operations hazard**, and only if:
 1. the **written contract** requires you to provide the additional insured such coverage; and
 2. this **coverage part** provides such coverage.
- II. But if the **written contract** requires:
 - A. additional insured coverage under the 11-85 edition, 10-93 edition, or 10-01 edition of CG2010, or under the 10-01 edition of CG2037; or
 - B. additional insured coverage with "arising out of" language; or
 - C. additional insured coverage to the greatest extent permissible by law;then paragraph I. above is deleted in its entirety and replaced by the following:

WHO IS AN INSURED is amended to include as an **Insured** any person or organization whom you are required by **written contract** to add as an additional insured on this **coverage part**, but only with respect to liability for **bodily injury, property damage or personal and advertising injury** arising out of **your work** that is subject to such **written contract**.
- III. Subject always to the terms and conditions of this policy, including the limits of insurance, the Insurer will not provide such additional insured with:
 - A. coverage broader than required by the **written contract**; or
 - B. a higher limit of insurance than required by the **written contract**.
- IV. The insurance granted by this endorsement to the additional insured does not apply to **bodily injury, property damage, or personal and advertising injury** arising out of:
 - A. the rendering of, or the failure to render, any professional architectural, engineering, or surveying services, including:
 1. the preparing, approving, or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; and
 2. supervisory, inspection, architectural or engineering activities; or
 - B. any premises or work for which the additional insured is specifically listed as an additional insured on another endorsement attached to this **coverage part**.
- V. Under **COMMERCIAL GENERAL LIABILITY CONDITIONS**, the Condition entitled **Other Insurance** is amended to add the following, which supersedes any provision to the contrary in this Condition or elsewhere in this **coverage part**:

Primary and Noncontributory Insurance

**Blanket Additional Insured - Owners, Lessees or

With respect to other insurance available to the additional insured under which the additional insured is a named insured, this insurance is primary to and will not seek contribution from such other insurance, provided that a **written contract** requires the insurance provided by this policy to be:

1. primary and non-contributing with other insurance available to the additional insured; or
2. primary and to not seek contribution from any other insurance available to the additional insured.

But except as specified above, this insurance will be excess of all other insurance available to the additional insured.

VI. Solely with respect to the insurance granted by this endorsement, the section entitled **COMMERCIAL GENERAL LIABILITY CONDITIONS** is amended as follows:

The Condition entitled **Duties In The Event of Occurrence, Offense, Claim or Suit** is amended with the addition of the following:

However, if the **written contract** requires this insurance to be primary and non-contributory, this paragraph 3. does not apply to insurance on which the additional insured is a named insured.

The Insurer has no duty to defend or indemnify an additional insured under this endorsement until the Insurer receives written notice of a **claim** from the additional insured.

VII. Solely with respect to the insurance granted by this endorsement, the section entitled **DEFINITIONS** is amended to add the following definition:
