2015-0506 Village Code Amendment Title 1, Chapter 14 - Village Fee Collection - Ordinance

The Village of Orland Park currently regulates its non-vehicular violations through Title 1, Chapter 14, of the Village Code. The Illinois Municipal Code (65 ILCS 5/1/2.1.2) allows home rule municipalities to provide by ordinance, their own violation regulations for judgement in these cases.

For the purposes of the Village forming a more comprehensible and uniform standard of laws, additional code terms are needed for imposing and collecting of fines. This ordinance is a proposal to revise Title 1, Chapter 14, Section 6B, with the addition of a new subsection (B.3.) into the existing Village Code.

Village Code 1-14-6 is titled "Judgement and Collection". Item B of this subsection is titled "Court Costs, Attorneys' Fees and Costs of Collection".

The Development Services Department and our legal counsel have reviewed this Code's section for additional details in the listing of court costs regarding the "Satisfactions of Judgements" and the "Release of Judgements" as ordered by our "Hearing Officer" and/or other competent court jurisdictions.

The proposed Village Code amendment aims to provide more defined

regulations to implement a means for the Village's relief of fees, expenses and costs incurred for preparing and recording of judgements as decreed.

I move to pass Ordinance Number 5023, entitled: AN ORDINANCE AMENDING TITLE 1, CHAPTER 14, SECTION 6 OF THE ORLAND PARK VILLAGE CODE IN REGARD TO THE VILLAGE'S NON-VEHICULAR ADMINISTRATIVE ADJUDICATION SYSTEM.

This matter was PASSED on the Consent Agenda.

2015-0425 The Public Arts Commission Piano Purchase Proposal

The Public Arts Commission was established in 2001 and has offered many cultural opportunities for Orland Park residents. In recent years, the commission produced one to two large events each year, including the prestigious Dance Chicago. The Commission members are focusing on bringing new cultural opportunities beginning this fall with the "Cultural Series" encompassing two musical performances at the Village of Orland Park Cultural Center. The Public Arts Commission is also researching four cultural opportunities for the Orland Park community to propose for the 2016 budget.

The Public Arts Commission formally requested that staff investigate the purchase of a previously owned baby grand piano that can be utilized for the upcoming Cultural Series and future cultural offerings. (See attached competitive analysis worksheet.) A baby grand piano could also be used for theater musical rehearsals, Orland's Got Talent semi-finals, cultural programming, special events, and rentals to private piano instructors in conjunction with the exhibit hall at the Cultural Center for recitals.

The upcoming Cultural Series concerts, one in October and one in November of 2015, will require the use of a baby grand piano. The Public Arts Commission members recommend investing in the purchase of a baby grand piano for these two concerts and future cultural opportunities rather than renting a piano for each event. Two members of the Public Arts commission have experience in piano purchasing and recommended PianoForte as a reputable source for advice and piano purchase. Mr. Thomas Zoells, President of PianoForte in Chicago, conducted a site visit at the Cultural Center to view the facility and speak with the Public Arts Commission members and staff. Mr. Zoells recommended a previously owned ten-to twenty-year old baby grand C3 model or equivalent which would be acoustically suitable for the events planned at the Cultural Center. Staff researched three options to obtain such a piano. The options are to purchase, lease to own, or rent.

Staff requested quotes for the three options from five (5) piano vendors; three (3) vendors provided pricing information. See attached Total Cost of Ownership (TCO) for detailed pricing from each proposal. PianoForte provided the least expensive pricing for all three options. The cost of ownership of a previously

owned baby grand piano over ten years including maintenance and insurance, is \$25,660; lease to own over ten years including maintenance and insurance is \$26,860; rentals over ten years would be \$36,000 based on the current rental rate of \$900 per event.

Trustee Gira stated that new additional information has come forward that needs to be reviewed before this item receives approval from the Board and requested this item be tabled for two weeks.

I move to table this item to the next Board of Trustees meeting scheduled for September 21, 2015.

A motion was made by Trustee Gira, seconded by Trustee Griffin Ruzich, that this matter be TABLED. The motion carried by the following vote:

Aye: 6 - Trustee Fenton, Trustee Dodge, Trustee Gira, Trustee Griffin Ruzich, Trustee Carroll, and President McLaughlin

Nay: 0

Absent: 1 - Trustee Calandriello

DEVELOPMENT SERVICES, PLANNING AND ENGINEERING

2015-0546 Fountain Village Development Completion

Recently the Village initiated the process of drawing on Letter of Credit #11871 held by Standard Bank in the amount of \$216,545.10 in order to substantially complete and correct public improvements associated with the Fountain Village townhome and commercial/ retail development project at 179th Street just east of Wolf Road.

The subdivision requires sewer and water punch-list work (all utilities are installed and operational), street paving, curb and sidewalk replacement, pedestrian path paving and miscellaneous landscaping corrections. The subdivision is fully built-out and ready to be completed/accepted by the Village for ownership & maintenance of the public infrastructure. Residents in the subdivision are eager to see this development finished. The Village has been pushing the bank since early 2014 to complete the outstanding improvements.

The Village instructed Standard Bank to engage with local contractors to obtain bids for completion of the work. Development Services provided a detailed site plan and itemized lists for the work to be completed, to assist in Standard Bank's reaching-out for proposals from qualified contractors. Staff inquired with a number of local contractors to alert them to this work opportunity, and staff indicated that Standard Bank would be contacting them for proposals to complete the subdivision work. Standard Bank received a proposal from Crowley Sheppard Asphalt Inc. in the amount of \$190,326.50 and an incomplete proposal (some

important items were absent from the proposal's schedule of items) from Austin Tyler Construction. Austin Tyler is currently engaged in the Village's annual subdivision street rehabilitation project, a \$6M+ contract.

Standard Bank notified the Village that a draw on the letter of credit is in the bank's best interest, as the bank is not well set-up to coordinate finishing the subdivision improvements. Staff has contacted Crowley Sheppard directly and they are currently available for work, and could begin the work very soon. In an effort to complete this work before end of construction season, Staff recommends contracting with Crowley Sheppard. It is Staff's recommendation to award this work to Crowley Sheppard so the outstanding improvements can be completed before the end of 2015 construction season.

I move to approve entering into a contract with Crowley Sheppard Asphalt Co. for \$190,326.50 for work associated with incomplete public improvements within the Fountain Village Development. The scope of work to complete the public improvements within the Fountain Village development will be limited to the full value of the funds received by the Village pursuant to a demand upon the Letter of Credit #11871 held by Standard Bank. Any surplus funds remaining from the Letter of Credit draw, upon satisfactory completion of the outstanding public improvements, shall be returned to Standard Bank as required by Law.

A motion was made by Trustee Fenton, seconded by Trustee Gira, that this matter be APPROVED. The motion carried by the following vote:

Aye: 6 - Trustee Fenton, Trustee Dodge, Trustee Gira, Trustee Griffin Ruzich, Trustee Carroll, and President McLaughlin

Nay: 0

Absent: 1 - Trustee Calandriello

VILLAGE MANAGER'S REPORT

2015-0539 University of Illinois - Master Gardener Lease Agreement Extension 2015 - 2017

Village Manager Grimes reported that The University of Illinois Cooperative Extension Services Master Gardener Program is currently leasing 618 square feet of space in the Cultural Arts Center building, located at 14750 Park Lane. The lease period is from November 1, 2013 thru October 31, 2015 at an annual rent rate of twelve dollars (\$12.00). The Master Gardener program is requesting a two-year extension on the lease agreement. At any time during the Lease Term, the Village may terminate this Lease Agreement effective three (3) months following written notice from Landlord to Tenant.

The Master Gardener program has partnered with the Village to expand access to research based information through the Master Gardener Volunteer program. They have contributed to village publications; answered homeowner gardening questions; participated in the Garden Walk and Farmers Market; worked with

Special Recreation when the kids clean up; and planted flowers in the courtyard at the Cultural Arts Center in addition to providing pots for planting. This has been a wonderful partnership over the past several years. Residents have received their assistance and enjoyed the benefits of having this resource in our community.

I move to approve a two (2) year lease agreement extension with the Board of Trustees of the University of Illinois.

A motion was made by Trustee Gira, seconded by Trustee Carroll, that this matter be APPROVED. The motion carried by the following vote:

Aye: 6 - Trustee Fenton, Trustee Dodge, Trustee Gira, Trustee Griffin Ruzich, Trustee Carroll, and President McLaughlin

Nay: 0

Absent: 1 - Trustee Calandriello
