Fee Request

Dear Ms. Baer:

We received your application for Section 401 water quality certification on June 9, 2006 and have reviewed the documents submitted. A fee for the certification is required under the Illinois Environmental Protection Act, Section 12.6 (415 ILCS 5/12.6). Section 12.6 states, in part, that

- (a) Beginning July 1, 2003, the Agency shall collect a fee in the amount set forth in subsection (b) from each applicant for a state water quality certification...
- (b) The amount of the fee for a state water quality certification is \$350 or 1% of the gross value of the proposed project, whichever is greater, but not to exceed \$10,000.

Section 12.6 does not allow the Agency to issue the certification if the appropriate fee is not submitted. Fees paid under this requirement are not refundable. The attached "Section 401 Water Quality Certification Fee Worksheet" must be completed and provided to this office prior to issuance of the certification. The Worksheet must be completed and signed by the applicant applying for the certification or his or her designee. If signed by a designee, the Worksheet must be accompanied by a letter signed by the applicant so designating that person to act on their behalf for purposes of providing details concerning and remitting the appropriate fees.

If you have any questions on these matters, please contact me at 217-782-3362.

Sincerely,

Daniel L. Heacock, P.E.
