A Waiver of Subrogation in favor of the Additional Insureds shall apply to General liability and Worker's Compensation. Certificates of insurance must state that the insurer shall provide the VILLAGE with thirty (30) days prior written notice of any change in, or cancellation of required insurance policies. All required insurance shall be maintained by the CONTRACTOR in full force and effect during the life of the CONTRACT, and until such time as all WORK has been approved and accepted by the VILLAGE. This provision constitutes the VILLAGE's continuing demand for such certificates and endorsement(s) or true and correct copies thereof and the obligation to provide such insurance coverage shall be in full force and effect during the life of the CONTRACT. Failure of the VILLAGE to request such certificates and endorsements shall not relieve the CONTRACTOR of these obligations to provide insurance.

The amounts and types of insurance required are defined in Exhibit A, a copy of which is attached hereto and made a part hereof.

11.1.2 CONTRACTOR shall cause each Subcontractor to maintain insurance of the type specified in Exhibit A. because of any injuries or damages received or sustained by any person, persons or property on account of any act or omission, neglect or misconduct of said CONTRACTOR, its officers, agents and/or employees arising out of, or in performance of any of the provisions of the CONTRACT DOCUMENTS, including any claims or amounts recovered for any infringements of patent, trademark or copyright; or from any claims or amounts arising or recovered under the "Worker's Compensation Act" or any other law, ordinance, order or decree. In connection with any such claims, lawsuits, actions or liabilities, the VILLAGE, its trustees, officers, directors, agents, employees, representatives and their assigns shall have the right to defense counsel of their choice. The CONTRACTOR shall be solely liable for all costs of such defense and for all expenses, fees, judgments, settlements and all other costs arising out of such claims, lawsuits, actions or liabilities.

11.2.2 The CONTRACTOR shall not make any settlement or compromise of a lawsuit or claim, or fail to pursue any available avenue of appeal of any adverse judgment, without the approval of the VILLAGE and any other indemnified party. The VILLAGE or any other indemnified party, in its or their sole discretion, shall have the option of being represented by its or their own counsel. If this option is exercised, then the CONTRACTOR shall promptly reimburse the VILLAGE or other indemnified party, upon written demand, for any expenses, including but not limited to court costs, reasonable attorneys' and witnesses' fees and other expenses of litigation incurred by the VILLAGE or other indemnified party in connection therewith.

EQUAL EMPLOYMENT OPPORTUNITY

Section I. This EQUAL EMPLOYMENT OPPORTUNITY CLAUSE is required by the Illinois Human Rights Act and the Rules and Regulations of the Illinois Department of Human Rights published at 44 Illinois Administrative Code Section 750, et seq.

Section II. In the event of the Contractor's noncompliance with any provision of this Equal Employment Opportunity Clause, the Illinois Human Right Act, or the Rules and Regulations for Public Contracts of the Department of Human Rights (hereinafter referred to as the Department) the Contractor may be declared non-responsible and therefore ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this agreement may be canceled or avoided in whole or in part, and such other sanctions or penalties may be imposed or remedies involved as provided by statute or regulation.

During the performance of this Agreement, the Contractor agrees:

A. That it will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin or ancestry; and further that it will examine all job classifications to determine if minority persons or women are underutilized and will take appropriate affirmative action to rectify any such underutilization.

B. That, if it hires additional employees in order to perform this Agreement, or any portion hereof, it will determine the availability (in accordance with the Department's Rules and Regulations for Public Contracts) of minorities and women in the area(s) from which it may reasonably recruit and it will hire for each job classification for which employees are hired in such a way that minorities and women are not underutilized.

C. That, in all solicitations or advertisements for employees placed by it or on its behalf, it will state that all applicants will be afforded equal opportunity without discrimination because of race, color, religion, sex, marital status, national origin or ancestry, age, or physical or mental handicap unrelated to ability, or an unfavorable discharge from military service.

D. That it will send to each labor organization or representative of workers with which it has or is bound by a collective bargaining or other agreement or understanding, a notice advising such labor organization or representative of the Contractor's obligations under the Illinois Human Rights Act and Department's Rules and Regulations for Public Contract.

E. That it will submit reports as required by the Department's Rules and Regulations for Public Contracts, furnish all relevant information as may from time to time be requested by the Department or the contracting agency, and in all respects comply with the Illinois Human Rights Act and Department's Rules and Regulations for Public Contracts.

F. That it will permit access to all relevant books, records, accounts and work sites by personnel of the contracting agency and Department for purposes of investigation to

ascertain compliance with the Illinois Human Rights Act and Department's Rules and Regulations for Public Contracts.

G. That it will include verbatim or by reference the provisions of this Equal Employment Opportunity Clause in every subcontract it awards under which any portion of this Agreement obligations are undertaken or assumed, so that such provisions will be binding upon such subcontractor. In the same manner as the other provisions of this Agreement, the Contractor will be liable for compliance with applicable provisions of this clause by such subcontractors; and further it will promptly notify the contracting agency and the Department in the event any subcontractor fails or refuses to comply therewith. In addition, the Contractor will not utilize any subcontractor declared by the Illinois Human Rights Department to be ineligible for contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations.

Section III. For the purposes of subsection G of Section II, "subcontract" means any agreement, arrangement or understanding, written or otherwise, between the Contractor and any person under which any portion of the Contractor's obligations under one or more public contracts is performed, undertaken or assumed; the term "subcontract", however, shall not include any agreement, arrangement or understanding in which the parties stand in the relationship of an employer and an employee, or between a Contractor or other organization and its customers.

Consolidated Tile & Carpet Company

Substance Abuse Program

(Date) _____

In a commitment to safeguard the health of our employees and to provide a safe environment for everyone, Consolidated Tile and Carpet Company has established a drug-free workplace policy.

The ultimate goal of this policy is to balance our respect for individual privacy with our need to keep a safe, productive, drug-free environment. We would like to encourage those who use illegal drugs or abuse alcohol to seek help in overcoming their problem. Employees who do so will be able to retain their job position in good standing.

While this company understands that employees and applicants under a physician's care are required to use prescription drugs, abuse of prescribed medications will be dealt with in the same manner as the abuse of illegal substances.

Employees are given notice as of the above date that it is a condition of employment to refrain from reporting to work, or working with the presence of drugs or alcohol in his or her body. Employees are subject to drug testing under the standards of this policy on _____, which is 60 days from the above date.

II. DEFINITIONS

- A. "Legal Drug"** - Prescribed drug or over-the-counter drug which has been legally obtained and is being used solely for the purpose for which it was prescribed or manufactured.
- B. "Illegal Drug"** - Any drug (a) which is not legally obtainable, (b) which may be legally obtainable but has not been legally obtained, or (c) which is being used in a manner or for a purpose other than as prescribed.

III. POLICY AND WORK RULE

This policy is to employ a work force free from use of illegal drugs and abuse of alcohol, either on or off the job. Any employee determined to be in violation of this policy is subject to disciplinary action, which may include termination, even for the first offense.

It is a standard of conduct for employees of the company that no employee shall report to work or work with the presence of illegal drugs or alcohol in his or her body. In order to maintain this standard, the company shall establish and maintain the programs and rules set forth below.

A. Drug Testing of Applicants

All job applicants at this company will undergo screening for the presence of illegal drugs as a condition for employment.

Any applicant with a positive test result will be denied employment at that time but may initiate another inquiry with the company after six months.

B. Drug Testing of Employees

This company will maintain screening practices to identify employees who use illegal drugs or abuse alcohol, either on or off the job. It shall be a condition of continued employment for all employees to submit to a drug screen:

1. **When there is a reasonable suspicion** to believe that an employee is using or has used illegal drugs or is abusing or has abused alcohol;

Circumstances that could be indicators of a substance-abuse problem and considered reasonably suspicious are as follows:

- **Information that an employee has caused, or contributed to, an accident while at work.** "Accident" includes injury to person(s) and/or damage to equipment or property.
- Observable phenomena while at work - such as direct observation of drug use or of the physical symptoms or manifestations of being under the influence of a drug.
- Abnormal conduct or erratic behavior while at work or a significant deterioration in work performance.
- A report of drug use provided by a reliable and credible source and independently corroborated.
- Evidence that an individual has tampered with a drug test during his employment with the current employer.
- Evidence that an employee has used, possessed, sold, solicited or transferred drugs while working or while on the employer's premises or while operating the employer's vehicle, machinery or equipment.

Whenever possible, the supervisor should have the employee observed by a second supervisor or manager before requiring testing. Employees who refuse substance testing under these circumstances will be terminated and forfeit workers' compensation medical and indemnity benefits.

2. **As a follow-up to Employee Assistance.**

If the employee, in the course of employment, enters an Employee Assistance Program or a drug rehabilitation program, the employer must require the employee to submit to a drug test as a follow-up to such program, unless the employee voluntarily entered the program. In that case, follow-up testing is optional. If follow-up testing is required, it must be conducted at least once a year for a two-year period after completion of the program. Advance notice of a follow-up testing date will not be given to the employee.

3. **When the test is conducted as part of a routinely scheduled employee fitness-for-duty medical examination** that is part of the employer's established policy or that is scheduled routinely for all members of an employment classification or group.

4. **At other times and under such circumstances as deemed appropriate** by company management and current state and/or federal standards. Employees will be given adequate notice of any addition/change/deletion in the company's drug testing requirements.

C. Employee Assistance Program

This company does not maintain an Employee Assistance Program (EAP). The purpose of an EAP is to provide help to employees and their families who suffer from alcohol, drug abuse or other problems. We do, however, maintain a list of local providers of employee assistance, drug and alcohol treatment and family services that employees may access without company involvement.

It is the responsibility of an employee to seek assistance from an EAP **before** alcohol and drug problems lead to disciplinary actions. Once a violation of this policy occurs, subsequently using an EAP on a voluntary basis will not necessarily lessen disciplinary action and may, in fact, have no bearing on the determination of appropriate disciplinary action.

An EAP will provide appropriate assessment, evaluation and counseling and/or referral for treatment of drug and alcohol abuse. Such employees may be granted leave with a conditional return to work, depending on successful completion of the agreed-upon appropriate treatment regimen, which may include follow-up testing.

The cost of seeking assistance from an EAP or other provider will be the responsibility of the employee and is subject to provisions of the company's health insurance plan, if any. Please consult the provider for specifics concerning this issue.

D. Grounds for Termination or Discipline

1. Illegal Drug Use

The following are considered violations of the drug-free workplace policy and are subject to discipline, including discharge or suspension from employment without pay and loss of Workers' Compensation benefits, even for the first offense:

- Refusing to take a company-required drug test
- Failing a company-required drug test (a *positive* test result)
- An employee bringing illegal drugs onto the company's premises or property (including company vehicles)
- Possession of illegal drugs or drug paraphernalia on the employee's person
- Using, consuming, transferring, selling or attempting to sell or transfer any form of illegal drug (as previously defined) while on company business or at any time during the hours between the beginning and ending of the employee's workday, whether on company property or not.

2. Alcohol Abuse

The following are considered violations of the drug-free workplace policy and are subject to discipline, including discharge or suspension from employment without pay and loss of Workers' Compensation benefits, even for the first offense:

- Refusing to take a company-required alcohol test
- Failing a company-required alcohol test
- An employee who is under the influence of alcoholic beverages at any time while on company business or at any time during the hours between the beginning and ending of the employee's workday, whether on company property or not (including company vehicles)

An employee shall be determined to be under the influence of alcohol if -

- a. the employee's normal faculties are impaired due to consumption of alcohol
- or if**
- b. the employee has a blood-alcohol level of .04 or higher.

E. Confidentiality

1. All information, interviews, reports, statement memoranda, and drug-test results, written or otherwise, received by the employer through a drug-testing program are confidential communications and may not be used or received in evidence, obtained in discovery, or disclosed in any public or private proceedings, except in accordance with this section or in determining compensability under this chapter 440., F.S (Workers' Compensation).
2. This subsection (confidentiality) does not prohibit an employer, agent of an employer, or laboratory conducting a drug test from having access to employee drug-test information or using such information when consulting with legal counsel in connection with actions brought under or related to this section or when the information is relevant to its defense in a civil or administrative matter.

F. Medication Reporting Procedure

Employees or job applicants may confidentially report to the employer the use of prescription or nonprescription medications both before and after being tested. Additionally, employees and job applicants shall receive notice of the most common drugs or medications - by brand name or common name, as applicable, as well as by chemical name - which may alter or affect a drug test. (A listing of these is attached.)

G. Reporting of Test Results

Employees or job applicants who receive a positive confirmed test result may contest or explain the result to the employer within 5 working days after receiving written notification of the test result. Employees and job applicants also may contest the drug test result pursuant to law or to rules adopted by the Agency for Health Care Administration (AHCA), as outlined below.

H. Challenges to Test Results

1. A requirement of a drug-free workplace program is that within five working days after receiving the notice of a positive confirmed test result, an employee or job applicant may submit information to the employer explaining or contesting the test result, and why the result does not constitute a violation of the employer's policy. If the employee's or job applicant's explanation or challenge of the positive test result is unsatisfactory to the employer, a written response as to why the employee's or job applicant's explanation is unsatisfactory, along with the report of positive result, shall be provided by the employer to the employee or job applicant; and all such documentation shall be kept confidential by the employer pursuant to confidentiality provisions outlined above, and shall be retained by the employer for at least 1 year.
2. An employee or job applicant may undertake an administrative challenge by filing a claim for benefits with a Judge of Compensation Claims, or, if no workplace injury has occurred, the person must challenge the test result in a court of competent jurisdiction. When an employee undertakes a challenge to the result of a test, it shall be the employee's responsibility to notify the laboratory, and the sample shall be retained by the laboratory until the case is settled.
