INTRODUCTION

1. This Agreement entered into this 10th day of March, 2008, by and between the VILLAGE OF ORLAND PARK, an Illinois municipal corporation (hereinafter referred to as the "Village"), and FIFTH/THIRD BANK, a Michigan banking corporation, Developer of the Subject Property, and JMD REAL ESTATE, LLC, an Illinois limited liability company, Owner of the Subject Property legally described below (hereinafter referred to as "Developer" and "Owner").

2. The Property subject to this Agreement, legal title to which is vested in Owner (excepting such portion as is dedicated to the public), is legally described as follows:

The said property is hereinafter referred to as the "Subject Property."

3. The Subject Property is generally located at the northeast corner of 149th Street and LaGrange Road and consists of approximately 1.4 acres. It is an outlot of the Orland Square Shopping Mall. It presently contains a restaurant, which will be razed so the banking facility may be constructed on the land. 4. Developer plans to construct a 4,447 square foot financial institution with four drive-thru lanes (three full service lanes and one ATM lane) on the Subject Property, pursuant to the Code, with a minor special use for the drive-thru lanes.

5. The Subject Property is an outlot of the Orland Square Mall. The change proposed will require an amendment to the Special Use for Planned Development for Orland Square.

6. The Village of Orland Park is a Home Rule Unit pursuant to the provisions of the Illinois Constitution, Article VII, Section 6, and the terms, conditions and acts of the Village under this Agreement are entered into and performed pursuant to the Home Rule powers of the Village and the statutes in such cases made and provided.

2. The Developer has petitioned the Village for an amendment to the Special Use for Planned Development, a minor special use for the drive thru windows and additional parking and plan approval in the COR Mixed Use Core District as more fully hereinafter set forth.

3. The parties hereto have fully complied with all relevant statutes of the State of Illinois and ordinances of the Village including the filing of petitions by Developer to enable development as herein provided. The Village has caused the issuance of proper notice and the conduct of all hearings by all necessary governmental entities to effectuate such actions as herein provided, including all hearings as are necessary to effectuate the plan of development herein set forth.

5. The parties hereto have determined that it is in the best interests of the Village and the Developer and in furtherance of the public health, safety, comfort, morals and welfare of the community to execute and implement this Agreement and that implementation of this Agreement and development of the Subject Property pursuant to its terms and conditions will constitute an

improvement of the tax base of the Village, be in implementation of the comprehensive plan of the Village and will constitute a preservation of environmental values.

6. Owner covenants and agrees that it will execute all necessary directions and issue all necessary instructions and take all other action necessary to perform its obligations hereunder.

SECTION ONE: Minor Special Use, Plan Approval and Design Standards.

A. The Village, upon the necessary hearings before the relevant governmental bodies having taken place pursuant to statute and ordinances in such cases made and provided and pursuant to requisite notice having been given, will by proper ordinance cause the above-described Subject Property to be the subject of an amendment to the Special Use for Planned Development for the Orland Square Mall and to be granted a minor special use under the Code to permit four drive-up windows as shown on the plan approved below.

B. The Subject Property shall be developed substantially in accordance with the Site Plan appended hereto and incorporated herein as EXHIBIT A entitled "Preliminary Site Plan – Fifth Third Bank Orland Park" prepared by TAP The Architects Partnership, dated with a revision date of 12/11/07. The Developer agrees that the Subject Property shall be developed substantially in accordance with said Preliminary Plan (EXHIBIT A) as approved or as may be subsequently amended and approved by the Village, and in accordance with supporting preliminary and final engineering drawings and plans to be submitted to the Village Engineer for review and approval, subject to and conditioned upon the following:

1. That Developer work with Village staff to include native vegetated bio-swales where feasible on final Grading and Landscape plans;
2. That a Landscape Plan, meeting all Village Codes, be submitted for separate review and approval within sixty (60) days of final engineering approval;
3. That detailed sign plans be submitted for approval and sign permits; and
4. That all final engineering related items are met.

C. The Subject Property shall also be developed substantially in accordance with the Elevations Plan titled, "Fifth Third Bank Orland Park," by TAP The Architect’s Partnership and dated with a revision date of 12/11/07, subject to the same conditions as listed in the Site Plan approval above.

SECTION THREE: Storm Water Retention/Detention and Storm Sewers.

Storm Water run off emanating from the Subject Property shall be retained or detained in accordance with a storm water management system for the Subject Property, to be constructed

and installed by the Developer, as finally may be required and approved by the Village. Such system shall include all storm water management facilities, including both on-site and off-site storm sewers, if needed, in accordance with final engineering plans approved by the Village. The design criteria, construction and maintenance of the storm sewers shall be in accordance with all standards of the Village in force on the date of final plan approval, and also all standards of the Metropolitan Water Reclamation District of Greater Chicago in effect at the time of final plan approval, and shall be completed by the Developer at its expense. All storm water detention/retention facilities shall be maintained by the Developer.

SECTION FOUR: Water Supply.

Developer shall be required to construct and install at its expense all necessary on-site water mains to service the Subject Property. All such water mains shall be sized, constructed and installed in accordance with the Code and final engineering plans approved by the Village. The Developer shall pay to the Village the required water connection charge(s) based upon the size of the connection(s) in accordance with Village ordinances.

SECTION FIVE: Sanitary Sewers.

Developer shall be required to construct and install at its expense all necessary sanitary sewers to service the Subject Property in accordance with the Code and final engineering plans approved by the Village. Said sewers shall be sized as required by the Village. All required fees are due before a building permit is issued.

SECTION SIX: Sidewalks.

All sidewalks shown on the final plan (EXHIBIT A) shall be constructed by Developer to the applicable Village standards.

SECTION SEVEN: Easements.

Owner agrees at the time of approval of this Development Agreement to grant to the Village, and/or obtain grants to the Village, of all necessary easements for the extension of sewer, water, street, or other utilities, including cable television, or for other improvements which may serve not only the Subject Property, but other properties in the general area.

All such easements to be granted shall name the Village and/or other appropriate entities designated by the Village as grantee hereunder. It shall be the responsibility of Owner and Developer to obtain all easements, both on-site and off-site, necessary to serve the Subject Property.

SECTION EIGHT: Developmental Codes and Ordinances and General Matters.

The development of the Subject Property shall be in accordance with the existing building, zoning, subdivision, storm water retention and other developmental codes and

ordinances of the Village as they exist on the date hereof, or as are in existence during development of the Subject Property. Planning and engineering designs and standards, and road construction and dedication of public improvements, shall be in accordance with the then existing ordinances of the Village, or in accordance with the statutes and regulations of other governmental agencies having jurisdiction thereof if such standards are more stringent than those of the Village of Orland Park at such time.

No occupancy permit shall be issued for any building prior to the completion and acceptance by the Village of the required public improvements. Any required public improvements shall be completed within one (1) year from the date hereof and the Developer shall deliver to the Village an irrevocable letter of credit (the form of security Developer has elected to provide) in a form satisfactory to and from a bank or financial institution and in an amount as provided for in the Code. Said Letter of Credit is to include all costs related to required lighting, landscaping, roadway, sidewalk, sewer and water lines and storm water management facilities. The Village Engineer may, in his discretion, permit the amount of said letter of credit to be reduced, from time to time, as major public improvements are completed.

SECTION NINE: Utilities.

All electricity, telephone, cable television and gas lines shall be installed underground, the location of which underground utilities shall be at the Developer's option.

SECTION TEN: Impact Requirements.

Developer and Owner agree that any and all contributions, dedications, donations and easements provided for in this Agreement substantially advance legitimate governmental interests of the Village, including, but not limited to, providing its residents, with access to and use of public utilities, streets, fire protection, and emergency services. Developer and Owner further agree that the contributions, dedications, donations and easements required by this Agreement are uniquely attributable to, reasonably related to, and made necessary by the development of the Subject Property.

SECTION ELEVEN: Binding Effect and Term and Covenants Running with the Land.

This Agreement shall be binding upon and inure to the benefit of the parties hereto, successor owners of record of the Subject Property, assignees, lessees and upon any successor municipal authorities of said Village and successor municipalities, for a period of seven (7) years from the date of execution hereof and any extended time that may be agreed to by amendment.

The terms and conditions of this Agreement relative to the payment of monies to the various contributions to the Village, construction and/or dedication of public improvements, granting of easements to the Village, dedication of rights-of-way to the Village and the developmental standards established herein shall constitute covenants which shall run with the land.

- (2) If the Village, in its sole discretion, determines there is, or may probably be, a conflict of interest between Village and Developer or Owner on an issue of importance to the Village having a potentially substantial adverse effect on the Village, then the Village shall have the option of being represented by its own legal counsel. In the event the Village exercises such option, then Developer and/or Owner shall reimburse the Village from time to time on written demand from the President of Village and notice of the amount due for any expenses, including but not limited to court costs, reasonable attorneys' fees and witnesses' fees, and other reasonable expenses of litigation, incurred by the Village in connection therewith.

In the event the Village institutes legal proceedings against Developer and/or Owner for violation of this Agreement and secures a judgment in its favor, the court having jurisdiction thereof shall determine and include in its judgment against Developer and/or Owner all expenses of such legal proceedings incurred by Village, including but not limited to the court costs and reasonable attorneys' fees, witnesses' fees, etc., incurred by the Village in connection therewith.
