**VILLAGE OF ORLAND PARK
PROFESSIONAL CONSULTING SERVICES
GENERAL TERMS AND CONDITIONS**

1. **Relationship Between CONSULTANT and VILLAGE:** The CONSULTANT shall serve as the VILLAGE's professional consultant on the WORK, or phases of the WORK, to which this Contract applies. This relationship is that of a buyer and seller of professional services and as such the CONSULTANT is an independent contractor in the performance of this Contract and it is understood that the parties have not entered into any joint venture or partnership with the other. The CONSULTANT shall not be considered to be the agent of the VILLAGE. Nothing contained in this Contract shall create a contractual relationship with a cause of action in favor of a third party against either the VILLAGE or CONSULTANT.
2. **Responsibility of the CONSULTANT:** Notwithstanding anything to the contrary which may be contained in this Contract or any other material incorporated herein by reference, or in any Contract between the VILLAGE and any other party concerning the WORK, the CONSULTANT shall not have control or be in charge of and shall not be responsible for the means, methods, techniques, sequences or procedures of construction, or the safety, safety precautions or programs of the VILLAGE, the construction contractor, other contractors or subcontractors performing any of the work or providing any of the services on the WORK. The CONSULTANT shall not be responsible for the acts or omissions of the VILLAGE, or for the failure of the VILLAGE, any architect, another consultant, contractor or subcontractor to carry out their respective responsibilities in accordance with the WORK documents, this Contract or any other agreement concerning the WORK. Any provision which purports to amend this provision shall be without effect unless it contains a reference that the content of this condition is expressly amended for the purposes described in such amendment and is signed by the CONSULTANT.

The VILLAGE reserves the right by written change order or amendment to make changes in requirements, amount of work, or consulting time schedule adjustments, and CONSULTANT and the VILLAGE shall negotiate appropriate contract adjustments acceptable to both parties to accommodate any changes. The CONSULTANT is not responsible for, and VILLAGE agrees herewith to hold CONSULTANT harmless from any and all errors which may be contained within the CONTRACT DOCUMENTS, unless such errors are the result of the work of the CONSULTANT. It is expressly understood that the uncovering of errors in the plans and specifications, unless such errors should have been uncovered by the CONSULTANT in the exercise of its professional service, is not the responsibility of the CONSULTANT and any and all costs associated with such errors shall be borne by others.

3. **Changes:** VILLAGE reserves the right by written change order or amendment to make changes in requirements, amount of work, or consulting time schedule adjustments, and CONSULTANT and VILLAGE shall negotiate appropriate adjustments acceptable to both parties to accommodate any such changes, if commercially possible.
4. **Suspension of Services:** VILLAGE may, at any time, by written order to CONSULTANT (Suspension of Services Order) require CONSULTANT to stop all, or any part, of the services required by this Contract. Upon receipt of such an order, CONSULTANT shall immediately comply with its terms and take all reasonable steps to minimize the costs associated with the services affected by such order. The VILLAGE, however, shall pay all costs incurred by the suspension, including all costs necessary to maintain continuity and for the resumption of the services upon expiration of the Suspension of Services Order. CONSULTANT will not be obligated to provide the same personnel employed prior to suspension, when the services are resumed, in the event that the period of suspension is greater than thirty (30) days.
5. **Documents Delivered to VILLAGE:** Drawings, specifications, reports, and any other WORK documents prepared by CONSULTANT in connection with any or all of the services furnished hereunder shall be delivered to the VILLAGE for the use of the VILLAGE. CONSULTANT shall have the right to retain originals of all WORK documents and drawings for its files. Furthermore, it is understood and agreed that the WORK documents such as, but not limited to reports, calculations, drawings, and specifications prepared for the WORK, whether in hard copy or machine readable form, are instruments of professional service intended for one-time use in the construction of the WORK. These WORK documents are and shall remain the property of the CONSULTANT to the extent permitted by law. The VILLAGE may retain copies, including copies stored on magnetic tape or disk, for information and reference in connection with the occupancy and use of the WORK.

It is also understood and agreed that because of the possibility that information and data delivered in machine readable form may be altered, whether inadvertently or otherwise, the CONSULTANT reserves the right, upon prior written notice to the VILLAGE, to retain the original tapes/disks and to remove from copies provided to the VILLAGE all identification reflecting the involvement of the CONSULTANT in their preparation. The CONSULTANT also reserves the right to retain hard copy originals of all WORK documentation delivered to the VILLAGE in machine readable form, which originals shall be referred to and shall govern in the event of any inconsistency between the two.

6. **Reuse of Documents:** All WORK documents including but not limited to reports, opinions of probable costs, drawings and specifications furnished by CONSULTANT pursuant to this Contract are intended for use on the WORK only. They cannot be used by VILLAGE or others on extensions of the WORK or any other project. Any reuse, without specific written verification or adaptation by CONSULTANT, shall be at VILLAGE's sole risk, and VILLAGE shall indemnify and hold harmless CONSULTANT from all claims, damages, losses, and expenses including attorney's fees arising out of or resulting therefrom. Any

such verification or adaptation will entitle CONSULTANT to further compensation at rates to be agreed upon by VILLAGE and CONSULTANT.

The CONSULTANT shall have the right to include representations of the design of the WORK, including photographs of the exterior and interior, among the CONSULTANT's promotional and professional materials. The CONSULTANT's materials shall not include the VILLAGE's confidential and proprietary information if the VILLAGE has previously advised the CONSULTANT in writing of the specific information considered by the VILLAGE to be confidential and proprietary.

7. **Opinions of Probable Cost:** ~~Since CONSULTANT has no control over the cost of labor, materials or equipment, or over the Contractor(s) method of determining prices, or over competitive bidding or market conditions, CONSULTANT's opinions of probable WORK cost provided for herein are to be made on the basis of CONSULTANT's experience and qualifications and represent CONSULTANT's judgment as a _____ professional familiar with the _____ industry, but CONSULTANT cannot and does not guarantee that proposal, bids or the cost will not vary from opinions of probable cost prepared by CONSULTANT. If, prior to any Bidding or Negotiating Phase, VILLAGE wishes greater accuracy as to the probable cost, the VILLAGE shall employ an independent cost estimator consultant for the purpose of obtaining a second probable cost opinion independent from CONSULTANT.~~
8. **Successors and Assigns:** The terms of this Contract shall be binding upon and inure to the benefit of the parties and their respective successors and authorized assigns.
9. **Waiver of Contract Breach:** The waiver of one party of any breach of this Contract or the failure of one party to enforce at any time, or for any period of time, any of the provisions hereof, shall be limited to the particular instance, shall not operate or be deemed to waive any future breaches of this Contract and shall not be construed to be a waiver of any provision, except for the particular instance.
10. **Entire Understanding of Contract:** This Contract represents and incorporates the entire understanding of the parties hereto, and each party acknowledges that there are no warranties, representations, covenants or understandings of any kind, matter or description whatsoever, made by either party to the other except as expressly set forth herein. VILLAGE and the CONSULTANT hereby agree that any purchase orders, invoices, confirmations, acknowledgments or other similar documents executed or delivered with respect to the subject matter hereof that conflict with the terms of the Contract shall be null, void and without effect to the extent they conflict with the terms of this Contract.
11. **Amendment:** This Contract shall not be subject to amendment unless another instrument is duly executed by duly authorized representatives of each of the parties and entitled "Amendment of Contract".

12. **Severability of Invalid Provisions:** If any provision of the Contract shall be held to contravene or to be invalid under the laws of any particular state, county or jurisdiction where used, such contravention shall not invalidate the entire Contract, but it shall be construed as if not containing the particular provisions held to be invalid in the particular state, country or jurisdiction and the rights or obligations of the parties hereto shall be construed and enforced accordingly.
13. **Force Majeure:** Neither VILLAGE nor CONSULTANT shall be liable for any fault or delay caused by any contingency beyond its or their control including but not limited to acts of God, wars, strikes, walkouts, fires, natural calamities, or demands or requirements of governmental agencies.
14. **Subcontracts:** CONSULTANT may subcontract portions of the WORK, but each subcontractor must be approved by VILLAGE in writing in advance.
15. **Access and Permits:** VILLAGE shall arrange for CONSULTANT to enter upon public and private property and obtain all necessary approvals and permits required from all governmental authorities having jurisdiction over the WORK. VILLAGE shall pay costs (including CONSULTANT's employee salaries, overhead and fee) incident to any effort by CONSULTANT toward assisting VILLAGE in such access, permits or approvals, if CONSULTANT performed such services.
16. **Designation of Authorized Representative:** Each party to this Contract shall designate one or more persons to act with authority in its behalf with respect to appropriate aspects of the WORK. The persons designated shall review and respond promptly to all communications received from the other party.
17. **VILLAGE's Responsibilities:** The VILLAGE agrees to provide full information regarding requirements for and about the WORK, including a program which shall set forth the VILLAGE's objectives, schedule, constraints, criteria, special equipment, systems and site requirements.

The VILLAGE agrees to furnish and pay for all legal, accounting and insurance counseling services as the VILLAGE may require at any time for the WORK, including auditing services which the VILLAGE may require to verify the Contractor's Application for Payment or to ascertain how or for what purpose the Contractor has used the money paid by or on behalf of the VILLAGE. In addition, VILLAGE shall give prompt written notice to the CONSULTANT whenever the VILLAGE observes or otherwise becomes aware of any development that affects the scope or timing of the CONSULTANT's services, or any defect or non-conformance of the work of any subcontractor.
18. **Information Provided by Others:** The CONSULTANT shall indicate to the VILLAGE the information needed for rendering of its services for the WORK. The VILLAGE shall provide to the CONSULTANT such information as is available to the VILLAGE and the VILLAGE's consultants and contractors, and the CONSULTANT shall be entitled to rely

upon the accuracy and completeness thereof unless, in the exercise of his professional skill, CONSULTANT determined inaccuracies or incompleteness. The VILLAGE recognizes that it is impossible for the CONSULTANT to assure the accuracy, completeness and sufficiency of such information, either because it is impossible to verify, or because of errors or omissions which may have occurred in assembling the information the VILLAGE is providing.

19. **Terms of Payment:** CONSULTANT shall submit monthly statements for basic and additional services rendered and for reimbursable expenses incurred, based upon CONSULTANT's estimate of the proportion of the total services actually completed at the time of billing or based upon actual hours expended during the billing period. In the event the VILLAGE has not paid amounts properly due the CONSULTANT, CONSULTANT may after giving seven days written notice to VILLAGE, suspend services under this Contract until CONSULTANT has been paid in full all amounts properly due for services, expenses and charges. CONSULTANT shall have no liability whatsoever to VILLAGE for any costs or damages as a result of such suspension.
20. **Hazardous Materials/Pollutants:** Unless otherwise provided by this Contract, the CONSULTANT and any sub-contractors shall have no responsibility for the discovery (unless such discovery should have been made by the CONSULTANT in the exercise of its professional skill), presence, handling, removal or disposal of or exposure of persons to hazardous materials/pollutants in any form at any WORK site, including but not limited to mold/mildew, asbestos, asbestos products, polychlorinated biphenyl (PCB) or other toxic/hazardous/pollutant type substances unless undertaken at the direction of the CONSULTANT or sub-consultants.
21. **Attorney's Fees:** In the event of any dispute that leads to litigation arising from or related to the services provided under this Contract, the substantially prevailing party will be entitled to recovery of all reasonable costs incurred, including court costs, attorney's fees and other related expenses.
22. **Insurance:** The CONSULTANT shall provide the VILLAGE with certificates of insurance evidencing all coverage held by the CONSULTANT, with coverage minimums and from insurance providers in compliance with VILLAGE requirements.
23. **Facsimile Transmissions:** The parties agree that each may rely, without investigation, upon the genuineness and authenticity of any document, including any signature or purported signature, transmitted by facsimile machine, without reviewing or requiring receipt of the original document. Each document or signature so transmitted shall be deemed an enforceable original. Upon request, the transmitting party agrees to provide the receiving party with the original document transmitted by facsimile machine; however, the parties agree that the failure of either party to comply with such a request shall in no way affect the genuineness, authenticity or enforceability of the document. Each party waives and relinquishes as a defense to the formation or enforceability of any contract between the parties, or provision thereof the fact that a facsimile transmission was used.

24. **Certifications, Guarantees and Warranties:** CONSULTANT shall not be required to sign any documents, no matter by whom requested, that would result in the CONSULTANT having to certify, guarantee or warrant the existence of conditions the existence of which the CONSULTANT cannot ascertain. The VILLAGE also agrees not to make resolution of any dispute with CONSULTANT or payment of any amount due to the CONSULTANT in any way contingent upon the CONSULTANT signing any such certification as to unascertainable conditions.

Assistant Village Manager
Village of Orland Park

Dear Ellen:

Thanks for our conversations in December and for your interest in retaining our firm to consult with the Village regarding its services for people with disabilities. As you have requested I am providing you with this proposal for a review of policies and procedures. I'll also provide a separate proposal for staff training. Both are particularly important, as the incidence of disability is on the rise, and the Village will likely face more complex situations in the future.

As we discussed, this is an abbreviated proposal. I'll not go into great detail regarding the complex Americans with Disabilities Act (ADA) but will instead focus on our qualifications, and the services we would provide to the Village.

Our Qualifications

We were formed in 2008 as a company under the umbrella of W-T Engineering, one this states' most qualified engineering firms. At W-T, when necessary for our clients, we have access to architects, civil engineers, landscape architects, plumbing consultants, mechanical engineers, structural engineers, aquatics engineers, land surveyors, and more.

Because of my experience though, we meet the soft side of the needs of cities and villages, and provide advice regarding policies, programs, and services. We do not anticipate using other W-T disciplines in our work for the Village.

Our people and our experience are our greatest qualifications.

Providing supports for a person with a disability choosing Village programs, is sometimes best addressed by an administrator, a certified therapeutic recreation specialist, a competent person with a disability, or an attorney. We have all of that on our team. ***No other agency or firm has that set of qualifications.***

We have unique credentials regarding access. My 30 years as a special recreation administrator, and my law degree, give us a different perspective on policy issues. My role as the co-founder of the National Recreation and Park Association (NRPA) National Institute on Recreation Inclusion (NIRI) is significant. For 11 years, that continuing education program addressed policies, funding, staff training, and other integral aspects of Village services modified for people with disabilities.

**One Source.
Infinite Solutions.**

2675 Pratum Avenue
Hoffman Estates, Illinois 60192
(224) 293-6451 Fax: (224) 293-6455

In my involvement I either chaired the overall NIRI planning, chaired the program content committee, or both.

I have spoken and trained staffs regarding inclusion and accessibility in 43 states, at national, regional, state, and local events. Additionally, at the request of the Department of Justice enforcement staff, I provided a 3 hour training regarding the ways in which local government recreation providers were meeting the requirements of ADA title II.

We also have been retained by states, counties, cities, park districts, conservation districts, and forest preserve districts for the drafting of accessibility policies.

We are uniquely suited to help the Village of Orland Park.

Scope of Services

Our service to the Village includes policy review and development. Village staff will provide us with Village policies regarding the invitation, registration, and programming for all persons. We'll review those and make recommendations aimed at compliance with ADA title II requirements. We will in particular address the elements of the process to serve people with disabilities, whether in inclusive programs or separate specialized programs. This will include, but is not limited to:

- General Village policies regarding services for the public;
- Policies and practices regarding brochures, social media, and online marketing materials;
- Policies and practices regarding the process of registering for programs;
- Policies and practices regarding the types of supports the Village will and will not provide;
- Policies and practices regarding the way in which people with disabilities request supports;
- Policies and practices regarding the way in which registrants with disabilities are assessed;
- Policies and practices regarding the way in which, after an assessment, a plan for support in programs is prepared;
- Policies and practices regarding the way in which staff are trained so they can provide planned supports;
- Policies and practices regarding the way in which support plans are communicated to registrants with disabilities or their families;
- Policies and practices regarding the way in which supports are implemented; and
- Policies and practices regarding the way in which the implementation of supports is evaluated.

Access and Inclusion Policy Development Costs

We believe that the tasks above can be accomplished for \$7,600. This includes:

- 30 hours by President John N. McGovern, JD, at \$150 for a cost of \$4,500
- 20 hours by Senior Project Manager Shelley A. Zuniga, CTRS (Certified Therapeutic Recreation Specialist) at \$100 for a cost of \$2,000
- 20 hours of proofing and writing by one of our Accessibility Specialists at \$55 for a cost of \$1,100

We will provide updates regarding hours used and remaining. Without seeing Village policies it is difficult to guarantee a cost. You may wish to encumber a contingency amount.

Timing

We have several commitments in February. However, we can likely start policy review on or around January 28, 2014. We would meet with Village staff, in Orland Park or by way of a remote medium, to discuss policy issues in general, and collect or identify policies to be reviewed.

We can likely complete policy review on or around February 28, 2014. Our recommendations, in the form of a report, would be delivered by March 17, 2014.

Once Village staff has agreed to adopt some of the policy recommendations training can begin. We would suggest April dates for this, but it hinges on Village action.

Assurances and Conditions

This proposal, if accepted, is subject to the assurances and conditions on the attached.

I hope this proposal meets your needs. If so, please sign it and fax a copy to us at 224/293-6455. If there are any questions about the proposal or the alternates, please call me at 224/293-6451 or 847/363-9384.

Thanks for the opportunity to help serve the residents of the Village of Orland Park.

Sincerely,

John N. McGovern, J.D.

Because of my experience though, we meet the soft side of the needs of cities and villages, and provide advice regarding policies, programs, and services. We do not anticipate using other W-T disciplines in our work for the Village.

Our people and our experience are our greatest qualifications.

Providing supports for a person with a disability choosing Village programs, is sometimes best addressed by an administrator, a certified therapeutic recreation specialist, a competent person with a disability, or an attorney. We have all of that on our team. ***No other agency or firm has that set of qualifications.***

We have unique credentials regarding access. My 30 years as a special recreation administrator, and my law degree, give us a different perspective on policy issues. My role as the co-founder of the National Recreation and Park Association (NRPA) National Institute

on Recreation Inclusion (NIRI) is significant. For 11 years, that continuing education program addressed policies, funding, staff training, and other integral aspects of Village services modified for people with disabilities. In my involvement I either chaired the overall NIRI planning, chaired the program content committee, or both.

I have spoken and trained staffs regarding inclusion and accessibility in 43 states, at national, regional, state, and local events. Additionally, at the request of the Department of Justice enforcement staff, I provided a 3 hour training regarding the ways in which local government recreation providers were meeting the requirements of ADA title II.

We also have been retained by states, counties, cities, park districts, conservation districts, and forest preserve districts for the drafting of accessibility policies.

We are uniquely suited to help the Village of Orland Park.

Scope of Services

Our firm will prepare and conduct two sessions, each 3 hours in length, in Orland Park. The first, Module One, will address the process of providing supports. John McGovern and Shelley Zuniga will prepare and conduct this event. This will address:

- the invitation and the registration process
- conducting the assessment
- reasonable modifications
- planning supports after the assessment
- staff training regarding the planned supports
- communication
- implementation
- evaluation, and
- related administrative requirements in title II.

This will be very interactive and we will answer questions asked by staff.

Staff Training Cost Module One

We believe that this training can be accomplished for \$2,165. This includes:

- 8 hours by President John N. McGovern, JD, at \$150 for a cost of \$1,200

- 8 hours by Senior Project Manager Shelley A. Zuniga, CTRS (Certified Therapeutic Recreation Specialist) at \$100 for a cost of \$800
- 3 hours of assistance by one of our Accessibility Specialists at \$55 for a cost of \$165

Staff Training Module Two

Our firm will prepare and conduct one 3 hour session, in Orland Park, on the delivery of reasonable modifications (what are they, how delivered, delivered by who, how assessment and planning interface, evaluation, etc.) following decisions by Village leadership as to what will and will not be provided. This will likely include:

- Mandated supports (changes to rules and policies, sign language interpreters, extra staff, extra training for staff, monitoring blood sugar, and other supports noted in the statute, regulation, court decisions, or settlement agreements);
- Personal supports such as assistance with toileting, assistance with changing clothes, feeding through a feeding tube, holding and presenting medications, and more); and
- Quasi-medical or medical supports such as the administration of seizure medication, administration of insulin, or other invasive or medical supports.

Staff Training Cost Module Two

We believe that this training can be accomplished for \$2,165. This includes:

- 8 hours by President John N. McGovern, JD, at \$150 for a cost of \$1,200
- 8 hours by Senior Project Manager Shelley A. Zuniga, CTRS (Certified Therapeutic Recreation Specialist) at \$100 for a cost of \$800
- 3 hours of assistance by one of our Accessibility Specialists at \$55 for a cost of \$165

Timing

We have several commitments in February. However, we can likely start policy review on or around January 28, 2014. We would meet with Village staff, in Orland Park or by way of a remote medium, to discuss policy issues in general, and collect or identify policies to be reviewed. Once Village staff has agreed to adopt some of the policy recommendations training can begin. We would suggest April dates for this, but it hinges on Village action.

EQUAL EMPLOYMENT OPPORTUNITY

Section I. This EQUAL EMPLOYMENT OPPORTUNITY CLAUSE is required by the Illinois Human Rights Act and the Rules and Regulations of the Illinois Department of Human Rights published at 44 Illinois Administrative Code Section 750, et seq.

Section II. In the event of the Contractor's noncompliance with any provision of this Equal Employment Opportunity Clause, the Illinois Human Right Act, or the Rules and Regulations for Public Contracts of the Department of Human Rights (hereinafter referred to as the Department) the Contractor may be declared non-responsible and therefore ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this agreement may be canceled or avoided in whole or in part, and such other sanctions or penalties may be imposed or remedies involved as provided by statute or regulation.

During the performance of this Agreement, the Contractor agrees:

A. That it will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin or ancestry; and further that it will examine all job classifications to determine if minority persons or women are underutilized and will take appropriate affirmative action to rectify any such underutilization.

B. That, if it hires additional employees in order to perform this Agreement, or any portion hereof, it will determine the availability (in accordance with the Department's Rules and Regulations for Public Contracts) of minorities and women in the area(s) from which it may reasonably recruit and it will hire for each job classification for which employees are hired in such a way that minorities and women are not underutilized.

C. That, in all solicitations or advertisements for employees placed by it or on its behalf, it will state that all applicants will be afforded equal opportunity without discrimination because of race, color, religion, sex, marital status, national origin or ancestry, age, or physical or mental handicap unrelated to ability, or an unfavorable discharge from military service.

D. That it will send to each labor organization or representative of workers with which it has or is bound by a collective bargaining or other agreement or understanding, a notice advising such labor organization or representative of the Vendor's obligations under the Illinois Human Rights Act and Department's Rules and Regulations for Public Contract.

E. That it will submit reports as required by the Department's Rules and Regulations for Public Contracts, furnish all relevant information as may from time to time be requested by the Department or the contracting agency, and in all respects comply with the Illinois Human Rights Act and Department's Rules and Regulations for Public Contracts.

F. That it will permit access to all relevant books, records, accounts and work sites by personnel of the contracting agency and Department for purposes of investigation to ascertain compliance with the Illinois Human Rights Act and Department's Rules and Regulations for Public Contracts.

G. That it will include verbatim or by reference the provisions of this Equal Employment Opportunity Clause in every subcontract it awards under which any portion of this Agreement obligations are undertaken or assumed, so that such provisions will be binding upon such subcontractor. In the same manner as the other provisions of this Agreement, the Vendor will be liable for compliance with applicable provisions of this clause by such subcontractors; and further it will promptly notify the contracting agency and the Department in the event any subcontractor fails or refuses to comply therewith. In addition, the Vendor will not utilize any subcontractor declared by the Illinois Human Rights Department to be ineligible for contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations.

Section III. For the purposes of subsection G of Section II, "subcontract" means any agreement, arrangement or understanding, written or otherwise, between the Vendor and any person under which any portion of the Vendor's obligations under one or more public contracts is performed, undertaken or assumed; the term "subcontract", however, shall not include any agreement, arrangement or understanding in which the parties stand in the relationship of an employer and an employee, or between a Vendor or other organization and its customers.
