Experience/Operating History/Qualifications

More than just tents! Experience the difference!

Indestructo Party Rental has been "covering" the Chicagoland's Party needs for over one hundred years by providing the highest quality products at a competitive price accompanied by unparalleled expertise and friendly customer service.

Indestructo Rental Company began in 1895 as an awning retailer and installer service company, making it one of the first tent rental and awning companies in the United States. It was purchased in 1964 by the Levar family who took it in a new direction. Working with caterers, organizations and corporations, they provided elegant tents and quality tables, chairs and linens.

From large scale public events, to intimate backyard parties to elegant weddings, they have you "covered". Whatever the occasion, Indestructo Party Rental has a long track record of successful events, providing high quality equipment, delivered on-time with professional installation.

In addition to Tents and Party equipment, they offer a full line of Pipe and Drape booths, as well as convention, trade show and exposition equipment and services.

We offer an extensive selection of tents and equipment, including tent flooring, dance floors, decorative tent lighting and tent climate control. In addition, we provide a broad range of rental equipment, including tables, chairs, staging and so much more.

We have been a part of many successful events by providing the highest quality equipment at a competitive price, accompanied by unparalleled expertise and friendly customer service.

We follow stringent installation and removal procedures recommended by our tent manufacturers and take great precautions to make sure every installation is completely safe. We will never minimize safety for cost.

Our foremen have 10-30 years' experience in the coordination and set up of large festivals.
