Questions & Answers - 1

Project 24-023 - 2024 Asphalt Parking Lots and Paths
Buying Organization Village of Orland Park

No	Question/Answer	Question Date
Q1	Question: Parking lot phases Of the three parking lots in this project which ones need phasing and how many phases per lot? Answer: We do not anticipate any phasing needed for the parking lots.	01/25/2024
Q2	Question: Pavement Markings The specifications call for Epoxy pavement markings. That is typically used on streets only and not in parking lots where you will eventually seal coat. Last year it appears epoxy was not used on the new pavement. Are we to install epoxy or can we substitute for latex paint? There is a huge price difference. Answer: Epoxy pavement markings are required as specified. All specifications need to be followed as outlined in the bid documents.	02/05/2024
