*A check mark in the box indicates inclusion of the required form with the proposal package. A "v#" indicates a variance that will be explained below.

VARIANCE EXPLANATIONS:

v1 - Vendor did not include all required information requested; omitted Experience, Operating History and Qualifications.

v2 - Vendor did not include required forms.

v3 - Vendor included three references without contact information; see second page of their proposal.

Prepared By: Cynthia Pietrucha, Purchasing Administrator

NOTE: If the potential recommended bidder had any variances, please verify with the Contract Administrator that they are not material variances prior to recommendation to your committee.
