OBTAINING INFORMATION ABOUT YOUR RETIREMENT BENEFITS UNDER THE PLAN

You have your own retirement account under the Plan to hold the contributions made on your behalf and to track the performance of the investments in your account. This booklet contains a summary of your rights and benefits under the Plan. In addition, the Addendum to this booklet describes how you can access information about your retirement account as well as other important information.

You should read this material carefully and keep it with your records for future reference.

The Village of Orland Park Police Supervisors, Commanders & Deputy Chief Sick-Time Buy Back Program SUMMARY PLAN DESCRIPTION

ARTICLE 1 INTRODUCTION

Village Of Orland Park has adopted the The Village of Orland Park Police Supervisors, Commanders & Deputy Chief Sick-Time Buy Back Program (the "Plan") to help its employees save for retirement. If you are an employee of Village Of Orland Park, you may be entitled to participate in the Plan, provided you satisfy the conditions for participation as described in this Summary Plan Description.

This Summary Plan Description ("SPD") is designed to help you understand the retirement benefits provided under the Plan and your rights and obligations with respect to the Plan. This Summary Plan Description contains a summary of the major features of the Plan, including the conditions you must satisfy to participate under the Plan, the amount of benefits you are entitled to as a Plan participant, when you may receive distributions from the Plan, and other valuable information you should know to understand your Plan benefits. We encourage you to read this SPD and contact the Plan Administrator if you have any questions regarding your rights and obligations under the Plan. (See Article 2 below for the name and address of the Plan Administrator.)

This SPD does not replace the formal Plan document, which contains all of the legal and technical requirements applicable to the Plan. However, this SPD does attempt to explain the Plan language in a non-technical manner that will help you understand your retirement benefits. If the non-technical language under this SPD and the technical, legal language under the Plan document conflict, the Plan document always governs. If you have any questions regarding the provisions contained in this SPD or if you wish to receive a copy of the legal Plan document, please contact the Plan Administrator.

The Plan document may be amended or modified due to changes in law, to comply with pronouncements by the Internal Revenue Service (IRS) or Department of Labor (DOL), or due to other circumstances. If the Plan is amended or modified in a way that changes the provisions under this SPD, you will be notified of such changes.

This SPD does not create any contractual rights to employment nor does it guarantee the right to receive benefits under the Plan. Benefits are payable under the Plan only to individuals who have satisfied all of the conditions under the Plan document for receiving benefits.

ARTICLE 2 GENERAL PLAN INFORMATION AND KEY DEFINITIONS

This Article 2 contains information regarding the day-to-day administration of the Plan as well as the definition of key terms used throughout this Summary Plan Description.

Plan Name: The Village of Orland Park Police Supervisors, Commanders & Deputy Chief Sick-Time Buy Back Program

Plan Number: 001

Employer:

Name: Village Of Orland Park

Address:

14700 S. Ravinia
Orland Park, IL 60462

Telephone number: 708-403-6166

Employer Identification Number (EIN): 36-6006035

Plan Administrator:

The Plan Administrator is responsible for the day-to-day administration and operation of the Plan. For example, the Plan Administrator maintains the Plan records, provides you with forms necessary to request a distribution from the Plan, and directs the payment of your vested benefits when required under the Plan. The Plan Administrator may designate another person or persons to perform the duties of the Plan Administrator. The Plan Administrator or its delegate, as the case may be, has full discretionary authority to interpret the Plan, including the authority to resolve ambiguities in the Plan document and to interpret the Plan's terms, including who is eligible to participate under the Plan and the benefit rights of participants and beneficiaries. All interpretations, constructions and determinations of the Plan Administrator or its delegate shall be final and binding on all persons, unless found by a court of competent jurisdiction to be arbitrary and capricious. The Plan Administrator also will allow you to review the formal Plan document and other materials related to the Plan.

The Employer listed above is acting as Plan Administrator. The Plan Administrator may designate other persons to carry on the day-to-day operations of the Plan. If you have any questions about the Plan or your benefits under the Plan, you should contact the Plan Administrator or other Plan representative.

Trustee:

All amounts contributed to the Plan are invested under a group annuity investment contract issued by an insurance company. For purposes of the Plan, the contract serves as the Plan's trust and the Employer is treated as the Plan's trustee. The group annuity investment contract established on behalf of the Plan will be the funding medium used for the accumulation of assets from which Plan benefits will be distributed.

Service of Legal Process:

Service of legal process may be made upon the Employer. In addition, service of legal process may be made upon the Plan Trustee or Plan Administrator.

Effective Date of Plan:

This Plan is a restatement of an existing Plan to comply with current law. This Plan was originally effective 12-1-2004. However, unless designated otherwise, the provisions of the Plan as set forth in this Summary Plan Description are effective as of 1-1-2016.

Plan Year:

Many of the provisions of the Plan are applied on the basis of the Plan Year. For this purpose the Plan Year is the calendar year running from January 1 – December 31.

Plan Compensation:

In applying the contribution formulas under the Plan (as described in Section 4 below), your contributions may be determined based on Plan Compensation earned during the Plan Year. However, in determining Plan Compensation, no amount will be taken into account to the extent such compensation exceeds the

compensation dollar limit set forth under IRS rules. For 2016, the compensation dollar limit is \$265,000. Thus, for plan years beginning in 2016, no contribution may be made under the Plan with respect to Plan Compensation above \$265,000. For subsequent plan years, the contribution dollar limit may be adjusted for cost-of-living increases.

For purposes of determining Plan Compensation, your total taxable wages or salary is taken into account including any pre-tax salary reduction contributions you may make under any other plans we may maintain, which may include any pre-tax contributions you make under a medical reimbursement plan or "cafeteria" plan. Plan Compensation also generally includes compensation for services that is paid after termination of employment, as long as such amounts are paid by the end of the year or within 2½ months following termination of employment, if later. However, for purposes of determining contributions under the Plan, Plan Compensation does not include the following types of compensation:

- Payments for unused leave, such as unused sick leave, vacation, or other leave that is paid after severance of employment.

Generally, all includible compensation you earn will be taken into account for purposes of determining Plan Compensation, including any compensation you earn while you are not a participant in the Plan.

Normal Retirement Age:

You will reach Normal Retirement Age under the Plan when you turn age 50.

Special retirement age rules:

The retirement age provisions are effective as follows: Effective January 1, 2016, Normal Retirement Age under the Plan changed from age 55 to age 50.

ARTICLE 3 DESCRIPTION OF PLAN

Type of Plan. This Plan is a special type of retirement plan commonly referred to as a money purchase plan. A money purchase plan allows you to receive Employer Contributions, which we make on your behalf to the Plan, without having to include such amounts in income. If you have satisfied all of the eligibility conditions described in Article 5 for receiving an Employer Contribution, we will deposit such contribution directly into the Plan on your behalf. Because this money is not reported as income, you do not have to pay any income tax while the money is held in the Plan, and any earnings on such contributions are not taxed while they stay in the Plan. (See Article 4 below for a description of the Employer Contributions authorized under the Plan.)

ARTICLE 4 PLAN CONTRIBUTIONS

The Plan provides for the contributions listed below. Article 5 discusses the requirements you must satisfy to receive the contributions described in this Article 4. Article 7 describes the vesting rules applicable to your plan benefits. Special rules also may apply if you leave employment to enter qualified military service. See your Plan Administrator if you have questions regarding the rules that apply if you are on military leave.

Employer Contributions

We are authorized under the Plan to make Employer Contributions on behalf of our employees. In order to receive an Employer Contribution, you must satisfy all of the eligibility requirements described in Article 5 below for Employer Contributions. If you do not satisfy all of the conditions for receiving an Employer Contribution, you will not share in an allocation of such Employer Contributions for the period for which you do not satisfy the eligibility requirements.

Employer Contribution Formula. Employer Contributions will be contributed to your Employer Contribution account under the Plan at such time as we deem appropriate. Generally, Employer Contributions may be contributed during the Plan Year or after the Plan Year ends. Any Employer Contributions we make will be made in accordance with the following Employer Contribution formula.

- **Special Employer Contribution formula.** We will make a contribution to the Plan under the following formula: The amount of the “annual Employer Contribution” shall be equal to the product of: the Participant’s current straight-time hourly rate (or the equivalent) multiplied by the lesser of: (i) 25% of the Participant’s “eligible sick-time hours” or (ii) the Participant’s “eligible sick-time hours” in excess of 400. A Participant’s “eligible sick-time hours” in the sick-time bank shall be reduced by the number of hours determined under the Participant’s “agreement”. A Participant’s “eligible sick-time hours” mean his hours of accrued and unused sick time, as defined in the Participant’s “agreement”, in the Participant’s sick-time bank as of November 30 of the Plan Year for which the contribution is being made. The minimum “eligible sick-time hours” for the first Annual Contribution to be made on an Participant’s behalf is 600 hours. The minimum “eligible sick-time hours” for subsequent Annual Contributions is more than 400 hours. The amount of the “retirement Employer Contribution” shall be equal to the product of: (a) the Participant’s current straight-time hourly rate (or the equivalent) multiplied by (b) the following, as applicable: (i) if the Participant first entered a bargaining unit covered by an agreement before January 1, 1999, 100% of his “eligible accrued, unused sick-time and vacation hours” or (ii) if the Participant first entered a bargaining unit covered by an agreement on or after January 1, 1999, 100% of his “eligible accrued, unused sick-time and vacation hours” in excess of 400 hours. “Eligible accrued, unused sick-time and vacation hours” shall be as defined in the applicable “agreement”. . Such contribution will be placed in an account under the Plan on your behalf, provided you satisfy the eligibility conditions described in Article 5 below. We retain the right to amend the Plan to reduce or eliminate this contribution. If we amend the Plan to reduce or eliminate this fixed contribution, you will be notified of such change. (See Article 11 below for more information regarding Plan amendments.)
- **Special rules applicable to Employer Contributions.** The following special rules apply:
 - Under the terms of the applicable “agreement”, the Participant is eligible to participate in the vacation and sick-time buyback program upon retirement and the Participant is eligible to retire under the terms of the Village or Orland's Police Pension.

Rollover Contributions

If you have an account balance in another qualified retirement plan or an IRA, you may move those amounts into this Plan, without incurring any tax liability, by means of a “rollover” contribution. You are always 100% vested in any amounts you contribute to the Plan as a rollover from another qualified plan or IRA. This means that you will always be entitled to all amounts in your rollover account. Rollover contributions will be affected by any investment gains or losses under the Plan.

You may accomplish a rollover in one of two ways. You may ask your prior plan administrator or trustee to directly rollover to this Plan all or a portion of any amount which you are entitled to receive as a distribution from your prior plan. Alternatively, if you receive a distribution from your prior plan, you may elect to deposit into this plan any amount eligible for rollover within 60 days of your receipt of the distribution. Any rollover to the Plan will be credited to your Rollover Contribution Account. See Article 8 below for a description of the distribution provisions applicable to rollover contributions.

Generally, the Plan will accept a rollover contribution from another qualified retirement plan or IRA. The Plan Administrator may adopt separate procedures limiting the type of rollover contributions it will accept. For example, the Plan Administrator may impose restrictions on the acceptance of After-Tax Contributions or Salary Deferrals (including Roth Deferrals) or may restrict rollovers from particular types of plans. In addition, the Plan Administrator may, in its discretion, accept rollover contributions from Employees who are not currently participants in the Plan. You also must be a current Employee to make a Rollover Contribution to the Plan. The following special rules also apply with respect to Rollover Contributions under the Plan: No After-Tax rollovers will be accepted by the Plan . Any procedures affecting the ability to make Rollover Contributions to the Plan will not be applied in a discriminatory manner.

If you have questions about whether you can rollover a prior plan distribution, please contact the Plan Administrator or other designated Plan representative.

ARTICLE 5 ELIGIBILITY REQUIREMENTS

This Article sets forth the requirements you must satisfy to participate under the Plan. To qualify as a participant under the Plan, you must:

- be an Eligible Employee
- satisfy the Plan's minimum age and service conditions and
- satisfy any allocation conditions required under the Plan.

Eligible Employee

To participate under the Plan, you must be an Eligible Employee. For this purpose, you are considered an Eligible Employee if you are an employee of Village Of Orland Park, provided you are not otherwise excluded from the Plan.

Excluded Employees. For purposes of determining whether you are an Eligible Employee, the Plan excludes from participation certain designated employees. If you fall under any of the excluded employee categories, you will not be eligible to participate under the Plan (until such time as you no longer fall into an excluded employee category). [See below for a discussion of your rights upon changing to or from an excluded employee classification.]

The following categories of employees are not eligible to participate in the Plan:

- All Employees except Employees who are covered under an "agreement". An "agreement" means either the Meet and Confer agreement between the Employer and the Commanders and Deputy Chief or the collective bargaining agreement between the Employer and the Village of Orland Park Police Supervisor's Association, as applicable

Minimum Age and Service Requirements

In order to participate in the Plan, you must satisfy certain age and service conditions under the Plan.

- **Minimum age requirement.** There is no minimum age requirement for participation in the Plan.
- **Minimum service requirement.** There is no minimum service requirement to participate under the Plan. Thus, you will be eligible to participate in the Plan (provided you are an Eligible Employee) as of the first Entry Date following your date of employment.

Entry Date. Once you have satisfied the eligibility conditions described above, you will be eligible to participate under the Plan on your Entry Date. For this purpose, your Entry Date is your date of employment. Thus, you will be eligible to participate immediately upon your date of hire, provided you are an Eligible Employee.

Crediting eligibility service. In determining whether you satisfy any minimum age or service conditions under the Plan, all service you perform during the year is counted. In addition, if you go on a maternity or paternity leave of absence (including a leave of absence under the Family Medical Leave Act) or a military leave of absence, you may receive credit for service during your period of absence for certain purposes under the Plan. You should contact the Plan Administrator to determine the effect of a maternity/paternity or military leave of absence on your eligibility to participate under the Plan.

Eligibility upon rehire or change in employment status. If you terminate employment after satisfying the minimum age and service requirements under the Plan and you are subsequently rehired as an Eligible Employee, you will enter the Plan on the later of your rehire date or your Entry Date. If you terminate

employment prior to satisfying the minimum age and service requirements, and you are subsequently rehired, you will have to meet the eligibility requirements as if you are a new Employee in order to participate under the Plan.

If you are not an Eligible Employee on your Entry Date, but you subsequently change status to an eligible class of Employee, you will be eligible to enter the Plan immediately (provided you have already satisfied the minimum age and service requirements). If you are an Eligible Employee and subsequently become ineligible to participate in the Plan, all contributions under the Plan will cease as of the date you become ineligible to participate. However, all service earned while you are employed, including service earned while you are ineligible, will be counted when calculating your vested percentage in your account balance.

Allocation Conditions

If you are an Eligible Employee and have satisfied the minimum age and service requirements described above, you are entitled to share in the contributions described in Article 4, provided you satisfy the allocation conditions described below.

Employer Contributions. You will be entitled to share in any Employer Contributions we make to the Plan if you satisfy the eligibility conditions described above. You do not need to satisfy any additional allocation conditions to receive an Employer Contribution. You will receive your share of the Employer Contributions regardless of how many hours you work during the year or whether you terminate during the year.

ARTICLE 6 LIMIT ON CONTRIBUTIONS

The IRS imposes limits on the amount of contributions you may receive under this Plan, as described below.

IRS limit on total contributions under the Plan. The IRS imposes a maximum limit on the total amount of contributions you may receive under this Plan. This limit applies to all contributions we make on your behalf, all contributions you contribute to the Plan, and any forfeitures allocated to any of your accounts during the year. Under this limit, the total of all contributions under the Plan cannot exceed a specific dollar amount or 100% of your annual compensation, whichever is less. For 2016, the specific dollar limit is \$53,000. (For years after 2016, this amount may be increased for inflation.) For purposes of applying the 100% of compensation limit, your annual compensation includes all taxable compensation, increased for any pre-tax contributions you may make to any other plan we may maintain, such as a cafeteria health plan.

Example: Suppose in 2016 you earn compensation of \$55,000. The maximum amount of contributions you may receive under the Plan for 2016 is \$53,000 (the lesser of \$53,000 or 100% of \$55,000).

ARTICLE 7 DETERMINATION OF VESTED BENEFIT

Vested account balance. When you take a distribution of your benefits under the Plan, you are only entitled to withdraw your *vested* account balance. For this purpose, your *vested* account balance is the amount held under the Plan on your behalf for which you have earned an ownership interest. For this purpose, you are always 100% vested in your Employer Contributions. Thus, you have complete ownership rights to your Employer Contributions immediately after such amounts are contributed to the Plan on your behalf.

- **Employer Contributions.** You are always 100% vested in your Employer Contributions. Thus, you have complete ownership rights to your Employer Contributions immediately after such amounts are contributed to the Plan on your behalf.

Protection of vested benefit. Once you are vested in your benefits under the Plan, you have an ownership right to those amounts. While you may not be able to immediately withdraw your vested benefits from the

Plan due to the distribution restrictions described under Article 8 below, you generally will never lose your right to those vested amounts. However, it is possible that your benefits under the Plan will decrease as a result of investment losses. If your benefits decrease because of investment losses, you will only be entitled to the vested amount in your account at the time of distribution.

ARTICLE 8 PLAN DISTRIBUTIONS

The Plan contains detailed rules regarding when you can receive a distribution of your benefits from the Plan. As discussed in Article 7 above, if you qualify for a Plan distribution, you will only receive your vested benefits. This Article 8 describes when you may request a distribution and the tax effects of such a distribution.

Distribution upon termination of employment. When you terminate employment, you may be entitled to a distribution from the Plan. The availability of a distribution will depend on the amount of your vested account balance.

- **Vested account balance in excess of \$5,000.** If your total vested account balance exceeds \$5,000 as of the distribution date, you may receive a distribution from the Plan as soon as administratively feasible following your termination of employment. If you do not consent to a distribution of your vested account balance, your balance will remain in the Plan. If you receive a distribution of your vested benefits when you are only partially-vested in your Plan benefits, your non-vested benefits will be forfeited.

You may elect to take your distribution in any of the following forms. Prior to receiving a distribution from the Plan, you will receive a distribution package that will describe the distribution options that are available to you. If you have any questions regarding your distribution options under the Plan, please contact the Plan Administrator.

- **Lump sum.** You may elect to take a distribution of your entire vested account balance in a lump sum. In addition, if permitted by the Plan Administrator, you may take a partial distribution of a portion of your vested account upon termination of employment. If you take a lump sum distribution, you may elect to rollover all (or any portion) of your distribution to an IRA or to another qualified plan. See the *Special Tax Notice*, which you may obtain from the Plan Administrator, for more information regarding your ability to rollover your plan distribution.
 - **Installment payments.** You may elect to receive a distribution in the form of a series of installment payments. If you elect distribution in the form of installments, your vested benefit will be paid out in equal annual installments over a set number of years. If the installment period is 10 years or greater, you may not rollover any of the installment payments into an IRA or into another qualified plan. The Plan Administrator will provide you with forms necessary to elect an installment distribution under the Plan.
- **Vested account balance of \$5,000 or less.** If your total vested account balance under the Plan is \$5,000 or less as of the distribution date, you will be eligible to receive a distribution of your entire vested account balance in a lump sum as soon as administratively feasible following your termination of employment. If you receive a distribution of your vested benefits when you are partially-vested in your Plan benefits, your non-vested benefits will be forfeited.

You may elect to receive your distribution in cash or you may elect to rollover your distribution to an IRA or to another qualified plan.

If you do not consent to a distribution of your vested account balance, your vested benefit will remain in the Plan until such time as you consent to a distribution or your benefit can be distributed from the Plan without consent. Further information regarding the Plan's distribution procedures will be provided at the time you terminate employment.

In-service distributions. You may not withdraw amounts attributable to your Employer Contributions while you are still employed. In addition, special in-distribution rules apply for certain contribution types under the Plan:

- **Rollover Contributions.** You may withdraw amounts attributable to Rollover Contributions while you are still employed only upon the following events:
 - Upon becoming Disabled

Required distributions. If you have not begun taking distributions before you attain your Required Beginning Date, the Plan generally must commence distributions to you as of such date. For this purpose, your Required Beginning Date is April 1 following the end of the calendar year in which you attain age 70½ or terminate employment, whichever is later.

Once you attain your Required Beginning Date, the Plan Administrator will commence distributions to you as required under the Plan. The Plan Administrator will inform you of the amount you are required to receive once you attain your Required Beginning Date.

Distribution upon disability. If you should terminate employment because you are disabled, you will be eligible to receive a distribution of your vested account balance under the Plan's normal distribution rules. You will be considered to be disabled for purposes of applying the Plan's distribution rules if you are unable to engage in any substantial gainful activity by reason of a medically determinable physical or mental impairment that can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months. The Plan Administrator may establish reasonable procedures for determining whether you are disabled for purposes of applying the distribution provisions of the Plan.

Distributions upon death. If you should die before taking a distribution of your entire vested account balance, your remaining benefit will be distributed to your beneficiary or beneficiaries, as designated on the appropriate designated beneficiary election form. You may request a designated beneficiary election form from the Plan Administrator.

If you are married, your spouse generally is treated as your beneficiary, unless you properly designate an alternative beneficiary to receive your benefits under the Plan. The Plan Administrator will provide you with information concerning the availability of death benefits under the Plan and your rights (and your spouse's rights) to designate an alternative beneficiary for such death benefits. For purposes of determining your beneficiary to receive death distributions under the Plan, any designation of your spouse as beneficiary is automatically revoked upon a formal divorce decree unless you re-execute a new beneficiary designation form or enter into a valid Qualified Domestic Relations Order (QDRO).

Default beneficiaries. If you do not designate a beneficiary to receive your benefits upon death, your benefits will be distributed first to your spouse. If you have no spouse at the time of death, your benefits will be distributed equally to your children. If you have no children at the time of your death, your benefits will be distributed to your estate.

Taxation of distributions. Generally, you must include any Plan distribution in your taxable income in the year you receive the distribution. More detailed information on tax treatment of Plan distributions is contained in the "Special Tax Notice" which you may obtain from the Plan Administrator.

Distributions before age 59½. If you receive a distribution before age 59½, you generally will be subject to a 10% penalty tax in addition to regular income taxation on the amount of the distribution that is subject to taxation. You may avoid the 10% penalty tax by rolling your distribution into another plan or IRA. Certain exceptions to the penalty tax may apply. For more information, please review the "Special Tax Notice," which may be obtained from the Plan Administrator.

Rollovers and withholding. You may "roll over" most Plan distributions to an IRA or another qualified plan and avoid current taxation. You may accomplish a rollover either directly or indirectly. In a direct rollover, you instruct the Plan Administrator that you wish to have your distribution deposited directly into another plan or an IRA. In an indirect rollover, the Plan Administrator actually makes the distribution to you and you may

rollover that distribution to an IRA or another qualified plan within 60 days after you receive the Plan distribution.

If you are eligible to directly rollover a distribution but choose not to, the Plan Administrator must withhold 20% of the taxable distribution for federal income tax withholding purposes. The Plan Administrator will provide you with the appropriate forms for choosing a direct rollover. For more information, see the “Special Tax Notice,” which may be obtained from the Plan Administrator.

Certain benefit payments are not eligible for rollover and therefore will not be subject to 20% mandatory withholding. The types of benefit payments that are not “eligible rollover distributions” include:

- annuities paid over your lifetime,
- installments payments for a period of at least ten (10) years,
- minimum required distributions at age 70½
- hardship withdrawals, and
- Certain “corrective” distributions.

[Note: All of the above distribution options may not be available under this Plan.]

Non-assignment of benefits and Qualified Domestic Relations Orders (QDROs) Your benefits cannot be sold, used as collateral for a loan, given away, or otherwise transferred, garnished, or attached by creditors, except as provided by law. However, if required by applicable state domestic relations law, certain court orders could require that part of your benefit be paid to someone else—your spouse or children, for example. This type of court order is known as a Qualified Domestic Relations Order (QDRO). As soon as you become aware of any court proceedings that might affect your Plan benefits, please contact the Plan Administrator. You may request a copy of the procedures concerning QDROs, including those procedures governing the qualification of a domestic relations order, without charge, from the Plan Administrator.

ARTICLE 9 PLAN ADMINISTRATION AND INVESTMENTS

Investment of Plan assets. You have the right to direct the investment of Plan assets held under the Plan on your behalf. The Plan Administrator will provide you with information on the amounts available for direction, the investment choices available to you, the frequency with which you can change your investment choices and other investment information. Periodically, you will receive a benefit statement that provides information on your account balance and your investment returns. If you have any questions about the investment of your Plan accounts, please contact the Plan Administrator or other Plan representative.

Although you have the opportunity to direct the investment of your benefits under the Plan, the Plan Administrator may decline to implement investment directives where it deems it is appropriate in fulfilling its role as a fiduciary under the Plan. The Plan Administrator may adopt rules and procedures to govern Participant investment elections and directions under the Plan.

Valuation Date. To determine your share of any gains or losses incurred as a result of the investment of Plan assets, the Plan is valued on a regular basis. For this purpose, the Plan is valued on a daily basis. Thus, you will receive an allocation of gains or losses under the Plan at the end of each business day during which the New York Stock Exchange is open.

Plan fees. There may be fees or expenses related to the administration of the Plan or associated with the investment of Plan assets that will affect the amount of your Plan benefits. Any fees related to the administration of the Plan or associated with the investment of Plan assets may be paid by the Plan or by the Employer. If the Employer does not pay Plan-related expenses, such fees or expenses will generally be allocated to the accounts of Participants either proportionally based on the value of account balances or as an equal dollar amount based on the number of participants in the Plan. If you direct the investment of your benefits under the Plan, you will be responsible for any investment-related fees incurred as a result of your

investment decisions. Prior to making any investment, you should obtain and read all available information concerning that particular investment, including financial statements, prospectuses, and other available information.

In addition to general administration and investment fees that are charged to the Plan, you may be assessed fees directly associated with the administration of your account. For example, if you terminate employment, your account may be charged directly for the pro rata share of the Plan's administration expenses, regardless of whether the Employer pays some of these expenses for current Employees. Other fees that may be charged directly against your account include:

- Fees related to the processing of distributions upon termination of employment.
- Fees related to the processing of in-service distributions.
- Fees related to the processing of required minimum distributions at age 70½ (or termination of employment, if later).
- Charges related to processing of a Qualified Domestic Relation Order (QDRO) where a court requires that a portion of your benefits is payable to your ex-spouse or children as a result of a divorce decree.

If you are permitted to direct the investment of your benefits under the Plan, each year you will receive a separate notice describing the fees that may be charged under the Plan. In addition, you will also receive a separate notice describing any actual fees charged against your account. Please contact the Plan Administrator if you have any questions regarding the fees that may be charged against your account under the Plan.

ARTICLE 10 PARTICIPANT LOANS

The Plan does not permit Participants to take a loan from the Plan. To access Plan assets, you must be eligible to receive a distribution from the Plan, as described in Article 8 above.

ARTICLE 11 PLAN AMENDMENTS AND TERMINATION

Plan amendments. We have the authority to amend this Plan at any time. Any amendment, including the restatement of an existing Plan, may not decrease your vested benefit under the Plan, except to the extent permitted under the Internal Revenue Code, and may not reduce or eliminate any "protected benefits" (except as provided under the Internal Revenue Code or any regulation issued thereunder) determined immediately prior to the adoption or effective date of the amendment (whichever is later). However, we may amend the Plan to increase, decrease or eliminate benefits on a prospective basis.

Plan termination. Although we expect to maintain this Plan indefinitely, we have the ability to terminate the Plan at any time. For this purpose, termination includes a complete discontinuance of contributions under the Plan or a partial termination. If the Plan is terminated, all amounts credited to your account shall become 100% vested, regardless of the Plan's current vesting schedule. In the event of the termination of the Plan, you are entitled to a distribution of your entire vested benefit. Such distribution shall be made directly to you or, at your direction, may be transferred directly to another qualified retirement plan or IRA. If you do not consent to a distribution of your benefit upon termination of the Plan, the Plan Administrator will transfer your vested benefit directly to an IRA that we will establish for your benefit. Except as permitted by Internal Revenue Service regulations, the termination of the Plan shall not result in any reduction of protected benefits.

A partial termination may occur if either a Plan amendment or severance from service excludes a group of employees who were previously covered by this Plan. Whether a partial termination has occurred will depend

on the facts and circumstances of each case. If a partial termination occurs, only those Participants who cease participation due to the partial termination will become 100% vested. The Plan Administrator will advise you if a partial termination occurs and how such partial termination affects you as a Participant.

ADDENDUM ADDITIONAL SPD PROVISIONS

OBTAINING INFORMATION ABOUT YOUR RETIREMENT BENEFITS UNDER THE PLAN

Massachusetts Mutual Life Insurance Company (MassMutual) provides record keeping services to the Plan and maintains your retirement account information. You can access information about your retirement account several ways:

- <http://retirement.massmutual.com/rsgovnp/>. MassMutual's participant website
- **1-800-528-9009**. MassMutual's automated phone line where you can access account information anytime.
- **Customer Services Representatives**. Available via the automated phone line, Monday-Friday 8 a.m. to 9 p.m. ET to answer your questions and guide you through transactions.

LIMITS ON THE NUMBER AND/OR FREQUENCY OF INVESTMENT TRANSACTIONS

The investment options available under the Plan are generally intended to be long-term investments suitable for retirement savings and are not designed to accommodate frequent exchanges (purchases and sales) by participants. An exchange occurs any time you transfer all or a portion of your account from one investment option to another. Frequent exchanges by participants may be harmful to the performance of the Plan's investments by increasing transaction costs that are shared by all investors and by interfering with portfolio management. Therefore, the Plan Administrator and/or the entities that provide investments and administrative services to the Plan have adopted one or more of the following procedures to discourage these activities. Procedures may include, but are not limited to, the following:

- limits on the frequency with which you may submit investment directions;
- limits on the frequency with which you may transfer in and out of investment options;
- limits on the dollar value of investments;
- limits on the ability to transfer between competing funds;
- fees applied when you transfer out of an investment option within a certain period of time after transferring into the investment option;
- restrictions on the means by which you may submit investment directions; and
- other procedures which the Administrator or the Plan's service provider determine to be appropriate to prevent or discourage frequent trading activity.

You should keep in mind that such procedures may not detect or prevent all frequent trading in the Plan's investment options and that these activities may be harmful to investment performance.

IMPORTANT DISCLOSURES

If your plan offers a stable value investment option, there are unique features of this plan investment option that you should understand. Certain stable value investment alternatives, including the guaranteed interest account ("GIA") (also referred to as the fixed account or general account), separate account guaranteed

interest account ("SAGIC") and Capital Preservation Account, provide for a fixed crediting rate that is reset on a periodic basis, at least annually.

Participants' accounts invested in the GIA, SAGIC or Capital Preservation Account will be paid out at book value for participant-initiated transactions, such as transfers to other investment options, loans and distribution in the event of hardship and upon a participant's retirement, death, disability and certain separations from service. The amount in your retirement account invested in these options will be reported on your participant statements and on the participant website at book value.

However, if the GIA, SAGIC, Capital Preservation Account or Stable Return (Wells Fargo) investment options are ever fully or partially terminated (for example, employer initiated terminations such as a lay-off or a sale of all or a part of the business), special rules apply. For example, under the GIA or SAGIC, when the investment option is fully or partially terminated you receive the "liquidation value" of your investment, which may either be more or less than the book value. As a result of this adjustment, a participant's account balance may either be increased or decreased at the time of the termination. Alternatively, under the Capital Preservation Account or Stable Return (Wells Fargo), when the investment option is fully or partially terminated withdrawals attributable to the stable value investment are paid out without application of a market value adjustment, but the withdrawal may be deferred for a period of up to twenty-four months.

The stable value investment alternative that is available under your Plan, if any, and the special rules that apply upon full or partial termination of the investment option are more fully explained in the stable value investment's applicable investment profile or prospectus (regulatory publication). You may obtain an investment profile or prospectus from your plan sponsor, by visiting <http://retirement.massmutual.com/rsgovnp/> or by contacting MassMutual's automated phone line at 1-800-528-9009 Monday through Friday between 8:00 a.m. and 9:00 p.m. ET. Please review this information carefully before investing.

To the extent Plan assets are invested through the medium of an investment contract issued by MassMutual, MassMutual is considered to be the Plan's funding agent. However, MassMutual is not an investment fiduciary with respect to those assets.

Please note that the investment types discussed above may or may not be an investment option in this Plan.

Employer contribution formula. The employer contribution formula under the Plan has been amended. Any employer contributions we make during the year will be made in accordance with the following employer contribution formula.

- **Special employer contribution formula.** We will make a contribution to the Plan under the following formula: The amount of the “annual Employer Contribution” shall be equal to the product of: the Participant’s current straight-time hourly rate (or the equivalent) multiplied by the lesser of: (i) 25% of the Participant’s "eligible sick-time hours" or (ii) the Participant’s "eligible sick-time hours" in excess of 400. A Participant’s "eligible sick-time hours" in the sick-time bank shall be reduced by the number of hours determined under the Participant’s “agreement”. A Participant’s "eligible sick-time hours" mean his hours of accrued and unused sick time, as defined in the Participant’s “agreement”, in the Participant’s sick-time bank as of November 30 of the Plan Year for which the contribution is being made. The minimum "eligible sick-time hours" for the first Annual Contribution to be made on an Participant’s behalf is 600

hours. The minimum "eligible sick-time hours" for subsequent Annual Contributions is more than 400 hours. The amount of the "retirement Employer Contribution" shall be equal to the product of: (a) the Participant's current straight-time hourly rate (or the equivalent) multiplied by (b) the following, as applicable: (i) if the Participant first entered a bargaining unit covered by an agreement before January 1, 1999, 100% of his "eligible accrued, unused sick-time and vacation hours" or (ii) if the Participant first entered a bargaining unit covered by an agreement on or after January 1, 1999, 100% of his "eligible accrued, unused sick-time and vacation hours" in excess of 400 hours. - **Additional Employer Contribution formula.** Effective June 30, 2018, a one time Additional Employer Contribution is added to the Plan. The "Additional Employer Contribution", to be made over one or more tax years, will be determined based on the eligible accrual balance and actual wages within the month the employee retires as well as the amount subject to the Illinois Municipal Retirement Fund (IMRF) 125% rule if applicable. For employees retiring in 2018, the contribution will be made 30 days prior to their retirement date. For employees who notify the Village of their upcoming retirement in 2018 and select a 2019 retirement date, the Village will make an initial contribution in 2018 while they are still employed and a final contribution of the remaining balance 30 days prior to their retirement date in 2019. The method and total combined contribution amount will be the same as if the Village had done a single calculation at separation.

Such contribution will be placed in an account under the Plan on your behalf, provided you satisfy the eligibility conditions for receiving such contributions. We retain the right to amend the Plan to reduce or eliminate this contribution. If we amend the Plan to reduce or eliminate this fixed contribution, you will be notified of such change.
