because we know your employees are your most important product...

they say you are what you eat. we agree!
what you feed your employees, clients and partners tells them how much you care.
how you entertain and run meetings affects your ability to:

- increase sales
- strengthen relationships
- attract and keep the best talent
- grow your business

our goal is to help you be a gracious host, and an employer your staff will appreciate and be proud to represent. we want to set the tone for effective meetings and eliminate the day to day stress that daily luncheons can create.

in addition, your new corporate dining area will be the envy of employers throughout the chicagoland area. freshly creative daily entrees will be designed and served to your entire staff at a price point below that of the outside retail world and with a familiar smile.

we propose to:

- create wide variety menu ideas using only the freshest ingredients
- provide delivery options free of charge
- prioritize presentation so that everything looks as good as it tastes
- treat every order as the most impoortant one we'll ever take
