Subject: Village of Orland Park – Response to RFP for 2024 Orland Hills West Road and Ditch Reconstruction Project

Dear Ms. Heslin:

We sincerely appreciate receiving your Request for Proposal for the 2024 Orland Hills West Road and Ditch Reconstruction Project. Unfortunately, we have decided to not submit a response. Our decision is based on the complexity and the schedule for this project. We are concerned that due to our workload and project commitments, our expert staff are not available to provide the proper attention and effort this undertaking demands.

Although we are electing to not submit on this project, we hope that you will continue to invite our firm to submit proposals on future work. We value our professional relationship with Orland Park, and we look forward to continued opportunities to work with you.

Sincerely,
