

Property is located at 16255 S. La Grange Road, Orland Park, IL 60467

Date: 2/13/2019

Respond to (4) mandatory eligibility factors of the Ordinance are as follows:

1. Real Estate Tax Analysis:

Attached is the Cook County Assessor Appeal History indicating total vacancy and decreased assessed value.

2. Viability and timelines:

This project will be to convert the former restaurant into a doctor's office requiring approximately \$400,000 of additional capital.

The plan is to start construction as early as the second quarter of 2019 and the project be completed no later than the 3rd quarter of 2019.

All the architecture work and design need to be completed so bids can be generated from general contractors, this process will take about two months, we are planning to apply for Village permits as soon as we get this application approved and plans completed.

This property is owned by Value on Ground Realty, LLC Orland Park.

Dr. Ayman Rawda is the owner and just acquired another site in Oak Lawn where he currently leases a location.

3. Assistance and Necessity:

The property is located at 16255 S. La Grange Road, Orland Park, IL 60467

This property was used as a restaurant and has been closed for seven (7) years now. In order the doctor's office to be sustainable as well as off-set the cost of conversion, the taxes need to be at a level where the taxes are below \$5.00 a square foot. They would be over \$10.00 a square without the incentive.

4. Increased Tax Revenue and employment:

The Doctor's office will create 40 new medical professional jobs in the area. This will increase the Tax Revenue since these individuals will be spending dollars in the trade area. Whether it be the shift of shopping patterns for weekly or seasonal items due to the job location or just purchasing day to day items such as food and gas.
