

Mike Galvin

Mike has over 20 years of IT consulting experience and co-founded his own consulting firm over 7 years ago. He has a deep background in technology team leadership, particularly in data management on cloud platforms. He has managed several large programs and would be well suited to provide guidance on the many different technology aspects utilized by the village. He received his B.S. in Computer Science from Northern Illinois.

His LinkedIn profile can be found here: <https://www.linkedin.com/in/mikegalvin16/>
