Dear Contractor,

In response to the burden the COVID-19 pandemic is having on both the private and public sectors, the department will be implementing 44 IL Adm. Code, Section 650.120 which allows the department to grant contractors a temporary extension of prequalification ratings.

Prequalification ratings set to expire March 31 through June 30, 2021 will be extended through July 31, 2021. This will allow currently prequalified firms to bid on the April, June and July lettings. As always, please submit your renewal application as soon as possible; applications are processed in the order they are received. Once your application has been analyzed, a new Certificate of Eligibility will be issued. The new certificate will supersede the extension granted with this letter and any certificate previously issued.

If your firm plans to bid on a local agency letting and has not received a new Certificate of Eligibility, a copy of this letter will need to be attached to your current Certificate of Eligibility and submitted to the local agency prior to being issued bidding documents.

2021 Application Submittal Notice: In addition to the mandatory hard copy submission, the department is requesting contractors submit a PDF electronic copy if possible. Electronic copies should be emailed to Tara Elston at Tara.Elston@illinois.gov.

Questions or comments may be addressed to Tara Elston, Prequalification Engineer, at (217) 782-3413.
