**PROCLAMATIONS/APPOINTMENTS/PRESENTATIONS****2020-0004 Honor Tim Lhotak - Army Veteran and Village of Orland Park Resident**

On November 15, 2019, a call came into the Orland Park Veterans Commission office from a Korean War Veteran and an Orland Park resident. This resident is an 89-year-old combat Veteran who, due to recent health issues, was not able to drive. He was short on food and he needed to get to the Jewel Food Store, approximately 3 blocks from his home. The Veterans Commission told this resident that they would find help.

Upon hanging up, another call came into the Commission office that there was a Veteran in the Village Hall seeking information about adding his "Veteran status" to his driver's license, Tim Lhotak. Mr. Lhotak was invited to the Veterans Commission office for assistance. While Mr. Lhotak was on a business trip to Nashville his jacket and wallet disappeared off the back of his chair while dining in a restaurant.

During this conversation between Darryl Wertheim and Tim Lhotak, the conversation turned to the subject of our Korean War Veteran in need. Tim, without hesitation, said "I will help". After Tim obtained his new driver's license he contacted our 89-year-old veteran and went to his home. Upon arrival, Tim met the

combat vet and his wife, drove her to the Jewel Grocery Store where they shopped and he helped her load and unload the groceries.

Tim stated that they were "Two very nice people that just needed a little assistance."

The Orland Park Veterans Commission followed up that afternoon. The 89 year old combat vet also had an application for the Orland Township Senior Transportation but was not able to return it with a picture ID.

On Monday November 18, 2019 the Veterans Commission visited the combat vet and took his Orland Township Senior Transportation application and ID to the Township office. He is now able to use the service as needed.

Follow-up from Tim Lhotak- November 19, 2019

"Sometimes when you do good things for people good things happen to you. I told you that I lost my wallet in Nashville when I was traveling for work. Two days after we met, someone sent my jacket with my wallet still inside by mail to me from Florida, they must have grabbed my jacket by accident "

Mayor Pekau and the Village Board thanked Mr. Tim Lhotak for your selfishness to assist and help out a fellow Veteran and resident in their time of need.

#### **2020-0029 Illinois Association of Museums' 2019 Best Practices Award**

The Museum Curator and the Stellwagen Family Farm Foundation have worked together since 2018 on the preservation and interpretation of the Stellwagen Farm. The Museum Development and Advisory Board have also agreed to help with future projects, programs, fundraisers, etc. at the farm.

**This matter was APPROVED on the Consent Agenda.**

### **2019-0910 Centennial Park West Events and Walks**

The Village processes approximately 10 special event permits for walks each year. In order to avoid roadway shutdowns and the need for police to direct traffic, these events are traditionally staged out of Centennial Park. This is starting to create conflicts with sports tournaments and CPAC pool usage, particularly as it relates to parking shortages and damage to athletic field grass on staging areas. Staff would like to shift the staging areas for these walks to Centennial West in 2020 in order to utilize the surplus parking available at that location and stage on the grass where tournament level field grass is not required. Park's staff also believes that with longer rebound times and without field play, the Centennial West grass will not be as affected. Events would be scheduled so as to not conflict with concert dates (and setup/takedown). Walks could still proceed through Centennial Park via the underpass access.

The Village Board previously approved a policy for Centennial West rental fee of \$1000, but that language seems to be for concerts. In addition to requesting the

relocation of these events staff would recommend that the current fee structure for nonprofit 501 (c)(3) events remain unchanged.

I move to approve the venue change to Centennial West for nonprofit 501 (c)(3) events and the current fee structure for said events remain at the current levels.

**This matter was APPROVED on the Consent Agenda.**

**2019-0924 Ordinance Authorizing the Disposal and Destruction of Municipal Property (Gas mask, filters, and Auto injectors)**

In 2003, the police department acquired through ILEAS (Illinois Law Enforcement Alarm Systems), 133 gas masks, 264 gas filters, and 50 auto-injectors. The masks and filters were for escape purposes only in the event of a chemical agent attack. They required annual fit testing per OSHA regulations using a lap top and software at an additional cost.

In approximately 2014, we were advised that the equipment had a ten year warranty; however, the possibility existed that they could be re-conditioned for another ten years. As such, we continued to conduct fit testing of the equipment. Recently, we were told that the masks could not be re-conditioned.

Replacement costs for 103 masks was quoted at \$44,177.00 plus an additional \$10,000.00 for options such as a vision correction lenses and radio adaptors.

As gas masks are not required police equipment and as we have officers assigned to the South Suburban Emergency Response Team (SSERT) and the Mobil Field Force (MFF); that are equipped with up to date gas masks; it is our opinion that we no longer need to equip every officer with gas masks and have made no budget requests to replace them.

We have a quote from a vendor to purchase the 143 gas masks (Avon FM12 and some older models) and all 264 filters at a price of \$4,235.00. It has been past policy to destroy or donate outdated or gently used equipment to another police agency. In this case, I recommend that the equipment be destroyed locally to avoid any possibility that its use becomes any type of future liability to the village.

I move to pass Ordinance Number 5473 entitled: ORDINANCE AUTHORIZING THE DISPOSAL AND DESTRUCTION OF MUNICIPAL PROPERTY (GAS MASKS FILTERS AND AUTO INJECTORS)

**This matter was PASSED on the Consent Agenda.**

**2019-0880 2020 Land Development Code Amendments I**

The first round of Land Development Code Amendments for 2020 is presented in the Amendment Report to the Plan Commission attached to the Board Packet. The Amendment Report, titled "2020 Land Development Code Amendments I Amendment Report to the Plan Commission", contains various amendments to

the sections identified above.

The Amendment Report contains the full narrative explanation for each amendment followed by the respective Code changes. Language with a strike-out (strike out) indicates elimination from the Code. In all cases, language that is bolded and in red (red) indicates proposed addition to the Code.

I move to approve the 2020 Land Development Code Amendments I, as recommended at the December 16, 2019 Committee of the Whole meeting and as fully referenced below.

THIS SECTION FOR REFERENCE ONLY - (NOT NECESSARY TO BE READ)

I move to approve the Land Development Code amendments for Section 2-102, Section 3-101, Section 5-101, Section 5-108, Section 5-112, Section 6-202, Section 6-209, Section 6-302, Section 6-304, Section 6-305, Section 6-307, Section 6-308, and Section 6-314, as presented in the attached Amendment Report titled "2020 Land Development Code Amendments I Amendment Report to the Plan Commission" and associated exhibits, prepared by the Development Services Department and dated December 3, 2019.

**This matter was APPROVED on the Consent Agenda.**

**2020-0001 2019 Ready Mix Concrete Purchase - Payment**

Funding for ready mix concrete materials and supplies is included in the budget annually to facilitate the replacement of curb and sidewalk by village staff at various locations throughout the village. For the 2019 construction season, staff identified Wille Brothers Concrete Company as the most cost efficient source of ready mix concrete. Numerous locations throughout the Village were identified as needing concrete replacement throughout the year. Beginning in early spring, staff worked to replace sections of curb, sidewalk and driveway aprons at many locations.

To complete this work, a series of concrete purchases were made over the course of the year. With dedicated staff efforts to complete all work before winter, the cumulative total of these purchases has exceeded the budgeted spending amount for the concrete vendor. The total cost for ready mix concrete materials and supplies in 2019 is \$23,200.00. Staff is requesting approval for this additional concrete purchase.

I move to approve payment of \$6,200.00 to Wille Brothers Concrete of Monee, Illinois, for ready mix concrete materials and supplies;

And

Approve total expenditures not to exceed \$23,200.00 with Wille Brothers Concrete of Monee, Illinois for the fiscal year 2019.

**This matter was APPROVED on the Consent Agenda.**

**2019-0919 Elevated Tank #5 Rehabilitation Construction Engineering - Proposal**

In September 2019, the Village Board approved the rehabilitation of Elevated Tank No. 5 (Tank 5) with work to begin in the spring of 2020. Contracted for Phase 1 and 2 engineering services, Strand Associates of Joliet, Illinois provided a thorough evaluation of the tank, noting deficiencies and recommendations for improving the rehabilitation of the elevated tank.

Staff requested a proposal for Phase 3 engineering services from Strand Associates to provide limited construction oversight, administrative services, preparation of change orders (to insure contractor conformance to the contract documents), and to communicate with third party cellular providers.

I move to approve accepting the proposal from Strand and Associates of Joliet, Illinois for Elevated Tank #5 Rehabilitation Construction Engineering Services for an amount not to exceed \$22,900.00.

**This matter was APPROVED on the Consent Agenda.**

**2019-0900 Consulting Engineering Services for Comprehensive Sanitary Sewer Evaluation - Contract Services**

In 2015, RJN Group Inc. of Wheaton, Illinois (RJN) was selected by a competitive proposal process to perform the village's Comprehensive Sanitary Sewer Evaluation Project. A consultant was requested to guide the Village through the various technical processes to conform to new mandates issued by the Metropolitan Water Reclamation District (MWRD) Watershed Management Ordinance (WMO) as it relates to the reduction of inflow and infiltration (I&I) into the Village's sanitary sewer system.

RJN Group was tasked to "provide assistance in developing and implementing a Village-wide comprehensive sanitary sewer system evaluation & repair program." RJN Group has assisted in the establishment of some initial programs, parameters and bid documents for short term and long term operational activities.

In 2016, following large scale flow monitoring and a number of meetings and discussions between RJN and Village staff, the priority basin to focus our MWRD short term improvement efforts was identified. The basin is part of the tributary area to the 151st Street Lift Station, generally bounded between 143rd Street, 159th Street, LaGrange Road, and Harlem Avenue. Portions of the MWRD priority basin were also televised in 2016.

In 2017, efforts within the sanitary sewer system included smoke testing, manhole inspections, cleaning and televising of nearly half of the MWRD priority basin. Additional investigations occurred at the 151st Street Lift Station.

In 2018, smoke testing, manhole inspections, cleaning and televising, and dye testing continued in the high priority basin.

In 2019, work was approved by the board to remediate the deficiencies identified over the past several years. Additional testing, inspections, cleaning and televising also continue in the MWRD high priority basin.

2019 was the last contract year for the consulting services of the RJN Group. The MWRD WMO requires additional programs, monitoring and continued reporting of the I&I within the Village. RJN Group has extensive experience with the MWRD's WMO Article 8 requirements and further demonstrated that they have well qualified staff available to complete the development of the various programs for the Village. RJN has been working with Village staff since 2015 building our I&I program and has extensive knowledge of our sanitary sewer system. RJN's rate schedule was clear, comprehensive and appropriately geared to accommodate staff's cost estimates for the development of the required programs. Staff has worked well with RJN Group and is requesting to continue with the RJN Group for performing the following:

- A. To continue assisting the Village of Orland Park in developing a Sewer System Condition Assessment within the high priority area and completing the Short Term Requirements Annual Summary Report.
- B. Assist the Village of Orland Park in the Sanitary Sewer System Rehabilitation Program including Manhole Rehabilitation and Cleaning & Televising. Utilize assessment data to identify rehabilitation needs and high priority deficiencies. Development of a Capital Improvement Program (CIP) based on the severity of the condition.
- C. Implement and submit to MWRD for a Private Sector Program (PSP) that addresses disconnection of direct and indirect cross-connections identified during inspections and repairs to service laterals.
- D. Update/revise the submittal to MWRD of the Village's Long Term Operations & Maintenance (O&M) Program conforming to Section §805 of the MWRD Watershed Management Ordinance.
- E. Public Outreach/Notification Campaign:  
Due to the highly visible nature of this type of work, the Consultant will assist staff with creating and maintaining an effective public outreach campaign that will consist of the following:
  - 1. Pre-Project campaign to notice citizens educating them of upcoming Testing/work
  - 2. Web based information, notifications and educational material
  - 3. Scheduled mailings and/or handouts
  - 4. Reminder information by neighborhood or designated work area

5. Brochures, pamphlets and targeted neighborhood correspondences

F. Continue to assist with programs, parameters and bid documents for short term and long term operational activities including but not limited to:

1. Manhole Inspections
2. Smoke Testing
3. Flow monitoring
4. Televising sanitary sewers

Staff anticipates that the consulting work to develop these critical programs will continue through FY2024. Staff requested a five year proposal (attached to the Board Packet) for continuing the current programs and meeting the upcoming MWRD requirements. Estimated costs to continue program development are not to exceed \$70,000 annually for both FY 2020 and FY 2021. The cost will increase for FY 2022 and FY 2023 to \$75,000 each year as well as an increase to \$80,000 for FY 2024. RJN Group has held their annual pricing from FY 2018 for FY 2019 through 2021.

It is the staff's recommendation to continue our program with RJN Group, Inc. of Wheaton, Illinois.

I move to approve accepting the five year consulting engineering services proposal from RJN Group, Inc. of Wheaton, Illinois for Program Management & Compliance with MWRD Inflow and Infiltration Control Program in an amount not to exceed \$70,000 annually for FY2020 and FY2021, an amount not to exceed \$75,000 annually for FY2022 and FY2023 and an amount not to exceed \$80,000 for FY2024.

**This matter was APPROVED on the Consent Agenda.**

#### **2020-0019 Equipment Purchase - Proposal**

The 2020 Fiscal Year Budget includes funds for the purchase of a hooklift skid-mounted salt spreader attachment for the Utilities Division. It is staff's recommendation to outfit the fourth of four owned hooklift trucks operated in the Public Works Department with a V-Box salt spreader attachment. Bonnell Industries is the vendor that originally built the hooklift trucks back in 2015 & 2016 and using them again provides standardization of the equipment used by employees. Bonnell has the Sourcewell Contract # 080818-BNL for this equipment. The village is a member of Sourcewell (formerly the National Joint Powers Alliance (NJPA)) a purchasing cooperative that provides competitive pricing for equipment purchases.

It is the staff's recommendation to accept the proposal and award purchase of one (1) skid mounted v-box salt spreader with prewet/hooklift functionality per the quote from Bonnell Industries of Dixon, Illinois for an amount not to exceed \$26,314.00.

I move to approve accepting the proposal from Bonnell Industries of Dixon, Illinois for the purchase of one (1) new/unused hooklift skid mounted v-box salt spreader for an amount not to exceed \$26,314.00.

It is staff's recommendation to utilize the SPC (suburban purchasing cooperative) Contract #152 for the purchase of seven (7) 2020 Ford Utility Police Interceptors from Currie Motors of Frankfort, Illinois for an amount not to exceed \$242,921.00.

**2020-0006 Grasslands Basin Dam Intergovernmental Agreement with MWRDGC - Resolution**

The Grasslands Subdivision (167th Street west of Wolf Road) has had several flooding and stormwater runoff issues over several years. The Village, in cooperation with the property owner west of the subdivision, created a small basin to assist in detaining some of the stormwater runoff from the agricultural land. In October 2013, the stormwater detention basin was deeded to the Village. The Village proposes to expand this existing detention basin and to construct a dam in an area adjacent to the Grasslands Subdivision. The project will increase the total storm water storage of the detention basin to 22 acre-feet, provide the needed flood protection for the Grasslands Subdivision and provide detention for the future development of the existing agriculture land tributary to the basin.

Funding for the project was approached as an opportunity through grants and/or other funding sources. Staff, in conjunction with Christopher B. Burke Engineering, submitted to the Metropolitan Water Reclamation District (MWRD) a project for funding through their stormwater assistance project initiative. The project has been initially accepted by the MWRD. The MWRD will reimburse the Village for 93% of the total awarded construction cost up to \$558,000.00, with the Village being responsible for all remaining costs necessary to construct.

In order to be accepted for funding of the proposed project, the MWRD requires that the Village enter into an intergovernmental agreement establishing the funding and ownership of the basin after completion. The intergovernmental agreement and a resolution to enter into the agreement have been reviewed by the Village's attorney.

I move to pass Resolution Number 1931 entitled: A RESOLUTION APPROVING

AN INTERGOVERNMENTAL AGREEMENT BETWEEN THE VILLAGE OF ORLAND PARK AND THE METROPOLITAN WATER RECLAMATION DISTRICT OF GREATER CHICAGO FOR THE DESIGN, CONSTRUCTION, OPERATION AND MAINTENANCE OF THE EXPANSION OF THE EXISTING DETENTION BASIN UPSTREAM OF THE GRASSLANDS SUBDIVISION IN THE VILLAGE

**This matter was APPROVED on the Consent Agenda.**

**2020-0026 Temporary Human Resources Staffing Services  
Extension of GovTemps Employee Leasing Agreement C19-0138-2019-0656**

Funding for a temporary contracted HR Generalist to support the workload of the Human Resources Department in 2020 was approved in the FY2020 Budget. HR supports management's needs and activities related to all employees, including approximately-270 full-time, 340 regular part-time and 340 seasonal employees. Approximately 375 new or rehires are processed each year. There are a number of HR goals that are tied to the Village's strategic initiatives. A temporary HR Generalist is needed to assist with key department goals and the day-to-day workload. Specifically, the temporary resource will be assigned to a variety of projects and day to day work based on peaks in workload and activity which may be related to the UltiPro HR/Payroll/Timekeeping/Scheduling implementation; retirements and associated recruitment; implementation of merit-based, open range compensation plan; implementing regulatory changes; collective bargaining; redesign of performance management program and associated training. To maintain continuity in projects, staff recommends exercising the extension provision of the current Employee Leasing Agreement with GovTemps contract number C19-0138 - 2019-0656.

I move to approve the Village Manager extend the Employee Leasing Agreement for temporary staffing services with GovTemps, for an experienced temporary human resources professional in FY2020 not to exceed \$50,000.
