WHEREAS, the Plan Commission of this Village held a public hearing on August 31, 2021, on whether the requested rezoning and amended special use permit for a planned development for the BMW Parking Lot expansion should be granted, at which time all persons present were afforded an opportunity to be heard; and

WHEREAS, a public notice in the form required by law, was given of said August 31, 2021, public hearing by publication not more than thirty (30) days nor less than fifteen (15) days prior to said hearing in the Daily Southtown, a newspaper of general circulation in this Village; and

NOW, THEREFORE, Be It Ordained by the President and Board of Trustees of the Village of Orland Park, Cook and Will Counties, Illinois, as follows:

SECTION 1

The Plan Commission has made its report of findings and recommendations, and such are hereby adopted by reference as findings of this President and Board of Trustees as fully as if completely set forth at length herein. All exhibits submitted at the aforesaid public hearing are also incorporated by reference into this Ordinance. This President and Board of Trustees find that the proposed rezoning and amended special use for a planned development is in the public good and in the best interests of the Village and its residents, is consistent with the Comprehensive Plan of the Village, and are consistent with and fosters the purposes and spirit of the Code, as set forth in Section 1-102 thereof.

SECTION 2

In addition to the findings set forth in Section 1 hereof, this Board of Trustees further finds in relation to the special use permit as follows:

- a) The Subject Property (consisting of Lot 3 and Parcel 1 legally described below) is located within the Village of Orland Park in Cook County, at 10290-11030 W. 159th Street, with Lot 3 zoned BIZ General Business and Parcel 1 zoned E-1 Estate Residential.
- b) Specifically, Petitioner proposes to consolidate Parcel 1 with Lot 3 of the Wolf Point Plaza Planned Development to create a new 320 car motor vehicle parking lot to store motor-vehicle inventory.
- c) The proposed zoning and amended special use is consistent with the character of the immediate vicinity of the Subject Property. To the north is R-3 Residential and open lands; to the south is LSPD Large Scale Planned Development; to the east is E-1 Estate Residential; and to the west is BIZ General Business (Wolf Point Plaza Planned Development.)
- d) The rezoning and amended special use is consistent with the purposes, goals, objectives and standards of the Comprehensive Plan, any adopted overlay plan and the Land Development Code of the Village of Orland Park. The Comprehensive Plan designates this site as “Neighborhood Mixed Use”. The new motor vehicle parking lot will be consistent with this designation. The proposed development consists of a parking lot to provide storage for vehicle inventory exclusively.
- e) The conditions on the amended special use as hereinafter set forth in SECTION 4 are reasonable, necessary and appropriate.
- f) The design of the proposed amended special use will minimize any adverse effects, including visual impacts, on adjacent properties. The proposed plan includes a Type 3 buffer yard (10 foot wide landscaping and an 8 foot tall fence) to wrap around the northern end of the parking lot where

the development will be visible from adjacent property.

- g) The Petitioner has demonstrated that public facilities and services, including but not limited to roadways, park facilities, police protection, hospital and medical services, drainage systems, refuse disposal, water and sewers, and schools, will be capable of serving the amended special use at an adequate level of service.

- i) The development will not adversely affect a known archaeological, historical or cultural resource.
