Title
Public Works Garage Door Bid Rejection

History
Bids were opened on Wednesday, February 23, 2015 at 11:00 AM for the Public Works garage door removal and installation. The bid was mistakenly written for one door to be replaced when, in fact, two doors are in need of replacement. Bids will need to be rejected and a new bid will be offered.

On March 16, 2015, this item was reviewed by the Parks & Recreation Committee, recommended for approval and referred to the Village Board of Trustees for consideration.

Financial Impact
No impact

Recommended Action/Motion
I move to approve rejecting the current bid and re-bid the Public Works garage door removal and installation to include two replacement doors.
