Title
Executive Staff Salary - Market Review

History

The Village Manager works for the Village under a separate employment agreement. The last contract extension in 2011 provided for cost-of-living increases, and his current salary is \$147,102 per year. In August 2012, the Village Board discussed and planned to increase the manager's salary to \$155,000, effective January 1, 2013. Said increase was requested by the manager to be placed on hold pending market adjustments to the salaries of executive staff.

Financial Impact

Funds for the increase are budgeted in the FY13 budget.

Recommended Action/Motion

I move to approve authorizing a salary adjustment to the Village Manager's salary as outlined in the attachment, effective January 1, 2013.

And

Approve a health care equalizer of \$1,500.
