Title
Occupational Health Service Provider

History
Ingalls Occupational Health Program provides Occupational Health Services including pre-employment exams, initial treatment of occupational injuries, other employee medical exams and serves as a collection site for the drug and alcohol testing.

The Village began utilizing Ingalls Occupational Health as the primary occupational health provider on January 1, 2015. The contract included and option for up to four (4) additional years subject to annual review by the Village.

Staff recommends renewing for another year and continuing to utilize Ingalls Occupational Health in 2017.

On March 6, 2017, this item was reviewed by the Finance Committee, recommended for approval and referred to the Village Board of Trustees for consideration.

Financial Impact
The estimated annual cost for this service is approximately \$25,000.00. Costs are based on actual utilization. Adequate funds have been included in the FY17 budget to support this expenditure.

Recommended Action/Motion
I move to approve Ingalls Occupational Health to continue to provide occupational health services for the Village of Orland Park for FY2017.
