Title/Name/Summary

Tri-River Police Training Membership Dues for 90 Full-time Police Officers - Purchase

History

The Tri-River Police Training Region also referred to as Mobile Team Unit 16 (MTU16), is a member of the Illinois Statewide System for In-Service Training (ASSIST) for continuous in-service training for current law enforcement officers.

The Police Department currently uses the Tri-River Police Training Unit to provide on-going in-serve training for its full-time police officers. The police department recognizes the importance of having officers trained and updated on the latest techniques and strategies in law enforcement in order to provide safe and effective police service to the community. Tri-River training is one training avenue used to accomplish this goal.

On May 16, 2016, this item was reviewed and approved by the Public Safety Committee and referred to the Village Board for approval.
