Title/Name/Summary
 IDOT Right-of-Way Maintenance Resolution - Resolution

History

Chapter 605 ILCS 5/4-208 and 5/9-113 of the Illinois Revised Statutes requires that any person, firm or corporation desiring to do work on State maintained right of way must first obtain a written permit from the Illinois Department of Transportation. This includes any emergency work on broken water mains, sewers or brick pavers.

For permit work to be performed by employees of a municipality, a resolution is acceptable in lieu of the surety bond. This resolution does not relieve contractors hired by the municipality from conforming to the normal bonding requirements nor from obtaining permits. The attached resolution will remain in effect for the period of two (2) years (2020 and 2021). The attached resolution has been previously reviewed and approved by the Village Attorney.

On November 4, 2019, this item was reviewed by the Public Works Committee and recommended for approval and referred to the Village Board of Trustees for consideration.

Financial Impact
 None
