Video Production Services

History
Eyelight Studios began its video production services with the village in 2012. This Orland Park business produces six 30-minute Village of Orland Park In-Focus Programs and other specialty programs as needed.

Eyelight Studios will be compensated for contractual video production services provided based on project/duration and type of production in an amount not to exceed \$10,000 annually.

On March 7, 2016, this item was reviewed by the Economic Development Strategy and Community Engagement Committee, recommended for approval and referred to the Village Board of Trustees for consideration.

Financial Impact
The amount budgeted in FY2016 in account 010-1201-432250 for this service is \$10,000.

Recommended Action/Motion
I move to approve Eyelight Studios to provide video production services in an amount not to exceed \$10,000.
