**Title**  
Recreation Department Program Guide - Fall 2017 Programs and Contractual Payment Approval

**History**  
Attached are the recommended programs that will be offered in the Recreation Department 2017 Fall program guide. Included in the attachment are the contractual costs (over \$5,000) that require Board approval for the fall session.

These costs are dependent on the number of registered participants. The costs of these programs will be covered through the registration fees.

Staff is requesting approval of the recommended programs and payment to the contractual instructors at the time of invoicing.

On May15, 2017, this item was reviewed and approved by the Parks and Recreation Committee, recommended for approval and referred to the Village Board of Trustees for consideration.

**Financial Impact**  
Costs are covered by registration fees and vary based on actual registration.

**Recommended Action/Motion**  
I move to approve the recommended programs and payment to the contractual instructors at time of invoicing.
