Title
Gasoline and Diesel Fuel Purchase - Contract Extension

History
In October of 2010, the Village of Orland Park published a legal notice and advertised for bids to supply gasoline and diesel fuel to the Village. In 2010, the Village entered into a contract with Avalon Petroleum Company of Kankakee, Illinois. Under the terms of the specifications, the contract can be renewed annually if mutually agreeable with both parties for up to five (5) additional years. The end of the third year of the contract will be December 31, 2013.

Avalon Petroleum Company has been the Village’s supplier of fuel for the past nineteen years and has an excellent record for responding to the Village’s needs, promptness in delivery, billing and quality of fuel. Therefore, staff would like to renew the contract for the delivery of gasoline and diesel fuel for Fiscal Year 2014.

On October 21, 2013, this item was reviewed by the Public Works and Engineering Committee, recommended for approval and referred to the Village Board of Trustees for consideration.

Financial Impact
There is a line item in preliminary 2014 draft budget (Account 010-5006-462100) in the amount of \$722,104 for this expenditure.

Recommended Action/Motion
I move to approve renewing the contract for gasoline and diesel fuel with Avalon Petroleum Company of Kankakee, Illinois, for Fiscal Year 2014 for an amount not to exceed the Board approved budget amount.
