Title/Name/Summary

Playground Safety Surfacing Installation

History

The 2020 Parks and Grounds Department budget includes funding for the purchase and installation of Playground Safety Surfacing (i.e. engineered wood fiber). A Certified Playground Safety Inspector (CPSI) from the Parks and Grounds Department inspected all Village playgrounds and compiled a list of playgrounds requiring additional safety surfacing. Accordingly, proposals were requested for the installation of 645 cubic yards of safety surfacing at the following playgrounds:

- Doogan Park
- Eagle Ridge III Park
- Georgetown Park
- Laurel Hill Park
- Marley Creek Park
- Parkview Park
- Perminas Park
- Treetop Park

Proposals were submitted by Homer Industries LLC and The Fibar Group LLC (via the HGAC Buy co-op). Homer Industries submitted the lowest price. Safety surfacing will be installed using a blower truck to maximize speed and efficiency.

Financial Impact

Funding for the installation of playground safety surfacing was budgeted for in FY2020 and available in Parks & Grounds account 283-4003-443250.

Recommended Action/Motion

I move to approve waiving the Bid Process;

And,

I move to approve the proposal from Homer Industries, LLC dated April 3, 2020, for the purchase and installation of playground safety surfacing at a cost not to exceed \$30,000.00.
