Body

WHEREAS, an application seeking a special use permit for a health club/fitness center for certain real estate has been filed with the Village Clerk of this Village and has been referred to the Plan Commission of this Village and has been processed in accordance with the Land Development Code of the Village of Orland Park as amended; and

WHEREAS, said Plan Commission of this Village held a public hearing on July 28, 2015, on whether the requested special use permit should be granted, at which time all persons present were afforded an opportunity to be heard; and

WHEREAS, a public notice in the form required by law was given of said public hearing by publication not more than 30 days nor less than 15 days prior to said hearing in the Orland Park Prairie, a newspaper of general circulation in this Village; and

WHEREAS, the Plan Commission of this Village has filed its report of findings and recommendations that the requested special use be granted with this President and Board of Trustees, and this Board of Trustees have duly

considered said report and findings and recommendations;

NOW THEREFORE, Be It Ordained by the President and Board of Trustees of the Village of Orland Park, Cook and Will Counties, Illinois, as follows:

SECTION 1

The Plan Commission of this Village has made its report of findings and recommendations regarding the proposed special use. The findings of the Plan Commission are herein incorporated by reference as the findings of this President and Board of Trustees, as completely as if fully recited herein at length. All exhibits submitted at the aforesaid public hearings are also hereby incorporated by reference as fully as if attached hereto. This President and Board of Trustees further finds that the proposed special use is in the public good and in the best interests of the Village and its residents and is consistent with and fosters the purposes and spirit of the Orland Park Land Development Code as set forth in Section 1-102 thereof. Said special use is also in accordance with the provisions of the Comprehensive Land Use Plan of the Village.

SECTION 2

In addition to the findings set forth in Section 1 hereof, this Board of Trustees further finds, in relation to the proposed special use permit for a fitness center, as follows:

(a) The subject property is located at 66 Orland Square Drive, in Tenant Space C, in an existing shopping center within the Village of Orland Park in Cook County, Illinois. The proposal is to locate an 18,298 square foot fitness center in the existing building of the existing shopping center located on the site with changes to the exterior of the building that have been approved through Appearance Review and no changes to the parking area. The Subject Property is zoned COR Mixed Use District. Health clubs and fitness centers are a special use in the COR Mixed Use District.

(b) The proposed development is consistent with the purposes, goals, objectives and standards of the Comprehensive Plan, any adopted overlay plan and the Land Development Code. The Comprehensive Plan designates this area for Regional Mixed Use. A fitness center is appropriate in such an area.

(c) The proposed development will be consistent with the character of the immediate vicinity of the subject property, which is presently zoned COR Mixed Use to the north, south and west, where commercial and multi-family residential uses are located. The property to the east is zoned R-4 Residential District and contains single family attached residential homes.

(d) The design of the development will minimize adverse effects, including visual impacts, on adjacent properties and the exterior changes have been approved through Appearance Review. The proposed development will not adversely affect the value of adjacent property. The retail center is designed to accommodate uses like this. Parking is available in the Orland Square Mall lot, which is directly adjacent. There will be no adverse effect on the value of adjacent property.

(e) The Petitioner has demonstrated that public facilities and services, including but not limited to roadways, park facilities, police and fire protection, hospital and medical services, drainage systems, refuse disposal, water and sewers and schools will be capable of serving the special use at an adequate level of service. Access to the Subject Property is available from four full access curb cuts on the west side of the Subject Property that open on to Orland Square Drive, a private street. Adequate measures have been or will be taken to provide ingress and egress so designed to minimize traffic congestion in the public streets.

(f) Petitioner has made adequate legal provision to guarantee the provision and development of any open space and other improvements associated with the proposed development.

(g) The development will not adversely affect a known archaeological, historical or cultural resource.

(h) The proposed development shall comply with all additional standards imposed on it by all other applicable requirements of the ordinances and regulations of the Village.
