Title
Quote for Lake Sedgewick and Marley Creek Pond Fish

History
The Parks Department received an estimate from Keystone Hatcheries LLC for restocking fish at Lake Sedgewick and Marley Creek Pond II. This estimate is for the stocking of both ponds this spring. Staff requested quotes from three other companies (Northstar Fish Hatchery, Clear Creek Fisheries, and Harrison Fishery), and none were able to provide a quote.

The Public Works and Parks Departments have worked with Keystone Hatcheries for the past 10 years and have been very satisfied with the quality of the fish. The cost for the fish including delivery is \$9,961.00. The fish species and quantity is based upon the IDNR recommendations and the School District 230 evaluation this summer.

On February 16, 2015, this item was reviewed by the Parks & Recreation Committee, recommended for approval and referred to the Village Board of Trustees for consideration.

Financial Impact
Funds will come from line item 283-4003-464850, \$10,000 budgeted.

Recommended Action/Motion
I move to approve accepting the estimate from Keystone Hatcheries LLC., at a cost of \$9,961.00.
