Title

Centennial Park Aquatic Center Painting and Caulking Bid Award

History

Bids were opened Wednesday, February 4, 2015 at 11:00 AM for the Centennial Park Aquatic Center Painting and Caulking Project. Six (6) bids were received and the low qualified bidder was Tecorp, Inc. at a cost of \$143,137.50. References were checked and all were very positive. Unfortunately, the two lower bidders, J. S. L. Masonry Restoration, Inc. and Cosgrove Construction, Inc. have retracted their bids as they indicated they did not properly interpret the paint manufacturer's specifications.

On February 16, 2015, this item was reviewed by the Parks & Recreation Committee, recommended for approval and referred to the Village Board of Trustees for consideration.

Financial Impact

Funds will come from the Centennial Pool account #283-4005-443150, \$150,000.00 was budgeted.

Recommended Action/Motion

I move to approve accepting the low qualified bid from Tecorp, Inc. at a cost not to exceed \$143,137.50.
