Title

Asbestos Removal Bid Award

History

Five (5) bids were received for Asbestos Removal at the Orland Plaza. This removal is required prior to the demolition of the remaining buildings. The low qualified bidder was Universal Asbestos Removal, Inc. of Lemont, IL at a cost of \$38,300.00. The firm did miss a signature in their paperwork, but that was considered inconsequential and has since been rectified.

On June 16, 2014 this item was reviewed by the Parks & Recreation committee, recommended for approval, and referred to the Village Board of Trustees for consideration.

Financial Impact

The funds will come from the Land & Land Improvements Account 282-0000-470700 \$560,000.00 budgeted.

Recommended Action/Motion

I move to approve accepting the low qualified bid from Universal Asbestos Removal, Inc. at a cost not to exceed \$38,300.00.
